

Killed by Poisons

All scientists agree that poisons present in the blood are eliminated by the kidneys and liver. The kidneys act as a kind of filter for these poisons. When the kidneys are changed or degenerated, by disease or old age, then these poisons are retained in the body. If we wish to prevent old age coming on too soon, or if we want to increase our chances for a long life, Dr. Price's Kidney Pills should be taken. Dr. Price says that you should drink plenty of water daily. This means to flush the kidneys. Then procure Auric at a drug store. This Auric drives the uric acid out. Scientists have learned that in gout, also rheumatism, uric acid crystals are deposited in or about the joints, in the muscles, where inflammation is set up.

of Glenelg, passed away at the home of his daughter in Iowa, U. S. A., on Saturday, January 12th, in the person of Mr. Thomas Townsend, after whom the beautiful lake on the 12th concession is named. Mr. Townsend occupied many positions of trust in our midst and was held in highest esteem for his uprightness and kindly hospitality. About twenty years ago, the family moved to Iowa and have prospered. Mr. Townsend had reached the good old age of eighty-two. Mrs. Townsend died a couple of years ago. Mrs. Thomas Jack is one of the members of the family.

CinDills FOR THE KIDNEYS

Succeeded Where Operation Failed!

"During August last I went to Montreal to consult a specialist as I had been suffering terribly with stone in the bladder. He indicated on an operation and was assisted by a specialist. They said the calculus was larger than a bean and too hard to crush and they could not take it out. I was recommended by a friend to try CinDills. I bought a box and found relief from the pain at once. I did not expect that they would dissolve the stone, but to my great joy I found the stone on October 3rd and had a very well man and very happy."

CinDills are the greatest solvent for uric acid ever offered. Profit by Mr. Lassar's example if you have Stone or Gravel, Rheumatism or other Kidney or Bladder Disorder.

According to the latest astrological revelations of Professor Neith, one of the world's greatest seers and infallible predictors of coming events, the war will end in May or June, 1918. Prof. Neith, we understand, deduces his accurate astrological foreknowledge from the actual location of the planets and conditions of the firmament, and the astounding fact that his predictions for 1917 came true, is surely ample proof of the certainty of astrological revelations to convince the most chronic skeptics.
