## ROCKY SAUGREEN

(Special to The Standard.)

Mr. and Mrs. S. Morton, Mr. J. Cessie and family, of Durham, spent the first of the week at the home of the latter's parents, Mr. and Mrs. J. Cessie.

We are sorry to report the death of Mr. A. McDonald, who passed away on Saturday last. As he was an uncle to Messrs. L. and N. McLean, of the Rock, his remains were laid to rest in the Rocky Cemetery on the following Monday, the funeral being largely attended.

Mr. Dave Watson visited at the home of his son, Mr. Archie Watson, the first of the week.

The Red Cross sewing bee was held at the home of Mrs. J. Cessie on Tuesday, at which there was an attendance of forty ladies. The sewing was successfully completed and 150 quilts were quilted.

Mr. J. Vessie had a very successful wood lot on Thursday last. A very nice pile of wood was cut.

We are glad to report that Mrs. B. Barks is on the mend after her severe illness.

We are informed that the Rocky Plant is running the usual day hours now, as the night work stopped on Wednesday.

We extend our sincere sympathy to Mrs. Thomas McNally and family, whose husband and father passed away on day last week.

We are now enjoying the full contents of winter weather, as a big snow storm swept over our burg on Saturday.

We were asked by a resident of our burg, Mr. T. C. Ritchie, to mention that he has a very good colliery that he wishes to dispose of at a reasonable price.

Mr. Walter Clark and daughter, Jean, visited at the home of the former's parents, Mrs. Clark, the first of the week.

## TRAVERTON

Saturday night's billiard was a snorter.

Mrs. John O. Greenwood is feeling some better.

## "CASCARETS" WORK

WHILE YOU SLEEP

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—Take Cascarets tonight.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel.

That's the first sign of indigestion—indigestion, foul gases, bad breath, yellow skin, mental nausea, everything that is horrible and nauseating. A Cascaret to-night will cleanse your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.

second operation in a Toronto Hospital in Durham, and at latest reports he was doing well.

Several of our residents have taken the fever to go West. The last to become affected are Mr. and Mrs. Stewart McNally, who purpose holding a stock sale on March 22nd. Her brother, Mr. Herb Peters, has offered them \$1200 for a year, free house and board. Herb is running a 1280-acre farm in Alberta. Big inducement!

We unloaded a carload of fertilizer in Durham on Friday last and feel quite spry ever since.

Though the storm broke loose on Saturday afternoon, it did not prevent a big crowd from gathering at Mr. Will Jack's stock sale, nor did it hamper Auctioneer McPhail from securing high prices. It was a splendid success, as the stock was in fine condition. Will has a big dose of krippe, and baby Clara was under the Dr.'s care for a few days, but is getting strong again.

A highly respected pioneer father passed over to the "Great Beyond" in the early hours of Tuesday morning of last week, after a brief illness of four days. In the person of Mr. Thomas McNally, of the 3th Concession, Mr. McNally was the youngest member of the well and widely-known McNally family that came out from Ireland about 67 years ago and settled in Glenelg. He was but eight years old at the time and hence, knew all of the trials and successes of the pioneer days. At twenty years of age, he was happily wedded to Miss Jane Blair, daughter of the late Thomas Blair. To them were born six stalwart sons and five fair daughters, eight of whom survive, Thomas, Jr., and Nellie, Mrs. Wm. Williamson passed away during the last twelvemonth and Miss Maggie ten years ago. The members surviving are—George, Joseph and Sarah.

(Mrs. John Kingston), of near Menford, Wm. of Annan, Annie (Mrs. John Ellison), of the 10th concession, Bertha (Mrs. John Gilbert), of Manitoba; Albert on the adjoining farm and Arthur on the homestead, whose wife proved a great comfort and splendid nurse through his illness. These, with his aged partner, mourn deeply over one well-beloved. Mr. McNally was noted for his uprightness and honesty, his graceful figure and suppleness. Oft in by-gone days, was he famed at logging-bees for his deftness. His home was ever a most hospitable one and he was ever ready to lend a helping hand. He was quite liberal in political life, but generally leaned to the Conservative party. He was an adherent of Zion Methodist church and generous in support of it. The funeral took place on Thursday afternoon and a big concourse of people were present. His pastor, the Rev. E. S. Moyer, conducted one of the most comforting and choicely illustrated services we've ever heard, after which the sacred dust was laid away beside that of his youngest daughter. The members of the family were all present, save the one in the West and among those from a distance, we noticed Mr. and Mrs. L. R. Froom, of Pricville; Mr. and Mrs. Peter McArthur.

from Owen Sound and a number from Holland. Besides the family, he leaves two brothers, James, of the 9th Concession, and Wm., of Grand Rapids, Mich.; two sisters, Mrs. Redfern and Mrs. Anderson, of Owen Sound.

Mr. and Mrs. John Wilson and Master Walter are visiting Mrs. Wilson's sister, Mrs. Thompson, of Napiano.

The first business meeting of the year of the Central Agricultural Society met at the home of Mr. J. L. Laycock on Thursday, February 21. There was a good attendance of gentlemen and lady directors. The president, Mr. S. Marshall, occupied the chair. After the business was disposed of, the company sat down to a bountiful spread, after which a pleasant hour was spent in song and speech.

Mr. Bryon Carney and Mr. George Seabrooke are attending the Orange Convention in Stratford this week.

Through an error in our last correspondence, the name of Mr. S. Marshall was put with the managing committee of the 11.30 club. Mr. Marshall is not on that committee and wishes the error corrected, which we herewith do.

Pte. Ed. Howey of the 35th Batt., in France, son of Mr. and Mrs. Robt. Howey, is now on leave visiting in Scotland. He was slightly wounded early in February.

The post damaged Mr. Wm. Bonnell's car to the extent of causing a couple of breaks. He has a gang of men on repairing the damage.

Mr. Tom Wright, who spent the winter with kindred in his vicinity is returning West this Tuesday. Success Tom.

Mr. and Mrs. D. Wilson spent the week-end, the guests of Mr. and Mrs. Wm. Meyers, Cherry Grove.

Mr. and Mrs. Wm. Holley, of Flesherton, has moved to Mr. James Walker's farm, Townline. We welcome Mr. and Mrs. Holley to our burg.

Mr. James Semple has bought Mr. Wm. Rowe's farm.

Mr. W. H. Clark has bought Mr. John Fawcett's farm on the Townline. We hear Mr. Fawcett has bought a farm near Saugreen Junction, and is moving to the same, as Mr. Clark gets possession the 1st of April. Mr. Dave Cowan has purchased "Green Grove" farm from Mr. John Beaton. Business is booming in our burg.

Mr. Earl Semple sold his fine grey driver to Mr. Ab. Hazard, of Eganville. Another of our noble boys, Mr. Albert Walker, has, this week, been called to join the colors. Ab. was a highly respected young man. We wish him great success and a safe return. He leaves this Thursday.
