Aaron Munshaw Dead. After nearly two years illness, during which the best medical attendance and careful nursing was given, Mr. A. Munshaw passed away at his late home here on Wednesday, March 13, in his 80th year. The deceased, who was well and widely known, was the last surviving resident here of the pioneers who came to this place in the fifties of the last century. He was a Canadian, born at Thornhill, County of York, on July 31st, 1838. When but a lad in his teens, he came to Artmesia with his parents, who were among the first settlers here, and for some time catered the travelling public. About 56 years ago, he purchased and took possession of the Flesherton hotel which, with the exception of a few years under the management of his brother-in-law, the late Wm. Elder, has been continuously conducted by him. He was a man of abstemious habits, and gentlemanly demeanor, which won for him the esteem in which he was held. He was strict in his observance of order and neatness which gave the widely known Munshaw House a good name and reputation all its own. Mr. Munshaw never sought public offices, but gave his attention to his hotel and farm interests. A large beautifully kept orchard and garden was a source of pleasure to him. On January 25th, 1876, he was married by the late H. S. Matthews to Miss Henrietta Wilkinson, of Flesherton, of whom he was sorely bereft on April 5th, 1893. To them were born two daughters and one son, viz: Minnie (Mrs. G. B. Welton), Flesherton, Mable (Mrs. W. Hill), Markdale, who survive, and Charles H., who died October 6, 1916 Mrs. Wm. Hooper, aged 86, living in Kansas for many years, a resident here, is the last surviving member of the Munshaw family. An aged sister, Mrs. Gerow, died recently. The funeral took place to Flesherton cemetery on Friday afternoon, service being conducted at the house by Rev. Mr. Richardson Anglican Rector, of Markdale, assisted by Rev. Mr. Belfry, of this place. The pall bearers were—R. J. Sproule, W. J. Bellamy, W. J. Boyd; D. McTavish, Jos. Blakely, John Weber. There were beautiful floral tributes from the family and others. Mr. H. Hooper, Toronto, and Mrs. Welton, Mount Forest, joined the relatives at the funeral.

Semple–Hazard—Chalmers Church was the scene of an interesting event on Wednesday afternoon, March 13, when Mr. Samuel Semple, a young farmer near Markdale, and Miss Gladys M. Hazard, Stone's line, Artemesia, were joined in wedlock, the ceremony being conducted by Rev. A. McVicar, B. A., in the presence of a good sized audience. Mrs. A. E. McCallum played the wedding march The bride, who was unattended, wore a navy blue taffeta silk.

The ladies of the Methodist church held their annual St. Patrick's Day entertainment in the church, Friday evening last, and met with very gratifying success. This war year, the usual supper was dispensed with, and program only given, which was one of the best the ladies have put on at their annual event. It consisted of a "Pagent of Famous Women", in characteristic costumes, pretty and unique. Over forty characters, which we have not space to enumerate, were represented, and many of the ladies excelled in the robe assigned them. It was a splendid entertainment richly enjoyed by a large audience. Proceeds over $53.00.

Mr. Thos. Neil, of Feversham, who was fined $200 last fall for selling liquor, was again before Magistrate McMullen a few days ago, on the charge of perjury, which arose out of evidence he gave at the liquor trial. He was committed to stand his trial at Owen Sound.

Mr. John Runstadler has returned from Toronto to reside here and conduct the produce business in the eggery, formerly carried on by the late Mr. Scully. Mr. Runstadler's wide circle of friends in the country will be pleased to see him back again in the business he is so familiar with.

Mr. Jake Thompson has moved from the Valley to his farm on the East Backline.

Mrs. W. J. Stewart, who has been very ill for several weeks, is again able to be out among her friends who are pleased to see her recovering.

Since the death of Mr. Munshaw, Mrs. Wm. Clayton has the distinction of being now the only resident here of those who were in this place when she came to it in 1861, soon after her marriage.

Mrs. (Dr.) Murray is visiting friends at Owen Sound for a few days

PRESENTATION

On Friday evening, March 1st, a number of friends gathered at the home of Mr. and Mrs. H. Johnston, Beaverdale, for the purpose of bidding farewell to Pte. H. Walker. A very enjoyable evening was spent in dancing and at the midnight hour, Pte. Walker was presented with the following highly complimentary address and a gold wrist watch and ring. The address was read by Mr. Thomas Harvey and the presentation was made by Misses Bertha and Ada Bradley.

"To Mr. G. Herbert Walker.—We, your friends, have met together this evening to express to you our sincere regret at your departure from our midst, to take your place with others who have gone before you to defend our King and Country.

While we are sorry to part with you, our pride is deep and profound that you are ready at the call of your country to take you place among our other Canadian boys.

Although of a quiet disposition, there is something depicted on your face which tells us that once a friend always a friend. You were a good neighbor, a dutiful son, a faithful friend and were always willing to help in the community and would put your heart and mind in any undertaking on which you ventured. So I am sure that we can all say you were, 'A good fellow well met.'

On the eve of your departure, we would like you to accept this watch and ring as a token of our appreciation and sincere hope that they may remind you of the warm hearts and sincere prayers of your friends in this community."

Signed on behalf of this community, John Wyville, Chris. Bradley.

Pte. Walker, in a few appropriate words thanked his friends for their token of good will.

GRADUATED WAR TAX ON INCOMES.

Those Enjoying Highest Incomes Will Pay Largest Amount.

If the income war tax law, about to be applied, did nothing more than cause a national stock-taking, it would serve a most useful purpose.

The taking of an inventory of one's resources invariably induces a desire to save and a desire to save when translated, as it very frequently is, into a determination to save, means getting on with the war, as well as happiness all around. This process, first an inventory of one's resources, then a desire to save, applied to every unmarried person, or widow and widower without dependent children, receiving an income of $1,500 and over, and to all other persons receiving an income of $3,000 and over, with unquestionably result in a large proportion of cases, in a determination to save. And that means more general prosperity and renewed national strength

But a national stock-taking is only incidental, of course, to the chief purpose of the income war tax, which is to provide revenue for the prosecution of the war in as equitable a manner as possible. The tax is to be graduated, according to one's ability to pay. Those who are in receipt of only a living wage or salary will not be called upon to pay; those enjoying the highest incomes will be called upon to pay the highest amounts, and the great body of income receivers between, will be called upon to pay in their due proportion.

Moreover, the purpose of the act is to distribute the burden equitably among all classes. By way of illustration, the farmer will be required to add to the value of his actual income, the value of the home-grown products which his own family consumes. This places the farmer on a plane with the salaried man, the value of whose services is wholly represented in the income received and against which he must charge all his living expenses.

Canada has established a war record that is the envy of the world. It is certain that the Ca[illegible] people will run true to form [illegible] this latest call of the[illegible] ment.
