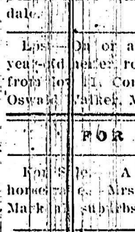
WHILE AT WAR

Women Suffer at Home



Toronto, Ont.—"I consider Doctor Pierce's Favorite Prescription the very best of woman's tonics. I suffered a severe nervous breakdown. I could not sleep, was weak and tired all the time. I took the 'Prescription' and just a few bottles completely built me up and relieved me of my nervous condition. It is a good medicine and I am glad to recommend it.—Mrs. Alfred Shepherd, 259 Seaton St.

Niagara Falls, Ont.—"I can safely say that 'Favorite Prescription' did me a lot of good. I at one time developed woman's trouble; my nerves were completely shattered, and I became weak. I had severe backache and pains in my side extending down into my limbs. I doctored but did not get relieved of my ailment and was down and out when I began taking Dr. Pierce's Favorite Prescription, and it so completely cured me and restored me to health and strength that I was able to do all my own work and others besides. I do recommend 'Favorite Prescription' to weak and ailing women; they cannot get a better medicine.—Mrs. John Lockhart, 26 Torrens Ave.

Favorite Prescription is an invigorating, restorative tonic, a soothing and strengthening nervine and a positive remedy for the chronic weaknesses peculiar to women.

This old prescription of Dr. Pierce's is extracted from roots and herbs by means of pure glycerine and is a temperance remedy of 50 years' good standing. Send 10c for trial pkg. of tablets to Dr. V. M. Pierce, Buffalo Hotel, Buffalo, N. Y., or Bridgeburg, Ont.
