

## Black as Dirt About the Eyes

Liver Was All Upset and There Was Pain Under the Shoulder-blade Two Interesting Letters.

So many people suffer from arrangements of the liver that we feel sure these two reports, just recently received, will prove interesting reading and valuable information to many readers of our paper.

Mr. W. L. Hartley, Keeley P.C. Sash, writes: "I was suffering from liver trouble—had a heavy pain under one shoulder blade all the time, and was nearly as black as dirt around the eyes, so I concluded to try some of Dr. Chase's Kidney-Liver Pills. I did not expect I had taken one 25c box the pain had left me and I commenced to gain in flesh, and by the time I had taken two boxes I was completely cured and felt like a new person. My trouble was caused by heavy work out-of-doors, and, of course, heavy eating and constipation, which caused anyone suffering from kidney or liver trouble to take Dr. Chase's Pills a trial."

Mrs. Charles Terry, Tweed, Ont., writes: "Before I was married it was troubled with enlargement of the liver. My liver became so enlarged that you could detect the swellings on either side, and I got my clothes on. A friend advised me to take Dr. Chase's Kidney-Liver Pills and take them. I commenced this treatment, and used nine boxes, which cured me at that time. Then, about two or three years afterward I was troubled again with the swelling, but only on one side. I secured some more Kidney-Liver Pills and took them, which finally cured me. I have not been troubled in this way since. I can cheerfully recommend Dr. Chase's Kidney-Liver Pills to anyone having kidney or liver trouble."

"We have also found Dr. Chase's Linseed and Tarragon excellent for constipation. In fact, in any of Dr. Chase's medicines which we have used have been good."

Dr. Chase's Kidney-Liver Pill, one pill a dose, 25c a box, \$1.00 per box, all dealers, or Edmundson Bates & Co. Limited, Toronto.

## PRAIRIEVILLE

(Special to The Standard) Prairieville greets us with another day of this sort.

A heavy, stormy rain storm swept over this vicinity last Friday morn-

ing. Misses White and Holland of Artemesia High School staff were each present at part of last week, at the Public School exams.

P. F. McArthur has taken a position in Karsfeld Bros' general store. P. F. is definitely a genial and alert salesman.

Mrs. J. Roland, of Vandeleur paid us frequent visits last week in connection with the County Road work and Wm. Abbott was deputy push for this section of Artemesia.

Rev. Dr. Chapman preached his last sermon in the Methodist Church last Sunday. He has been in charge of the Princeton circuit since the departure of Rev. P. N. Jones last December.

R. J. Sprout, of Flesherton, was over here one day last week in connection with his extensive Fire Insurance business.

Horse and gasoline buggies, and numerous pedestrians, old and young, of both sexes, made the school house corner a lively spot Saturday morning. Misses Smith, McDonald and Jones conducted the registrations.

Rev. J. A. Matheson exchanged pulpits with Rev. Mr. Whaley, of Durban, on Sunday, the 23rd of June.

No service in the Methodist church next Sunday. The new minister is

expected to preach on first Sunday in July.

## WALTERS FALLS

(Special to The Standard) Mr. Sam Saunders has purchased a new Ford car.

Mr. Wm. and Miss Elvie, Rennie motored to Cremona, one day last week and when they returned they brought back Mr. Cecil and Miss Myrtle Gowen to visit with them for a few days.

The sympathy of the community goes out to Mr. and Mrs. Joe Long in the death of their little girl, on Friday. Death resulted from measles.

The funeral was held on Sunday.

The following went to Meaford to write on the entrance exams: Mr. Melville Watson and the Misses Vera Olds, Florence Wickham, Mabel Carney, Maud Rennie and Georgia Watson.

Quite a number from our village attended the raising at Mr. Robt. Howells on Friday.

There was considerable stir in the village on Saturday owing to everybody having to register that day.

Mr. Elmer Walter has secured the Mail Contract between Walters Falls and Chatsworth. He is to start July 1st.

Quite a cold wave passed over on Saturday, but so far as learned at present very little damage was done.

## TRAVERSTON

(Special to The Standard) The downpour of rain on Friday forenoon last was worth a mint of money to every farmer.

Mr. Ivan Edwards left on Thursday for Burlington, for treatment in the hospital there.

Roadwork was begun last week in many "beats," and more are busy this.

We think Mr. Wm. Firth of Zion's corps holds the record for continuous service. On Friday last he completed his 50th year's statute labor task on the 6th Concession. Though in his 79th year, he handled the team and the shovel with as much snap as any of the young fellows.

There was a busy time in the rural schools on Saturday recording registration and pleasure and good humor galore. Everybody entered into the spirit of the national event.

Rev. E. S. Moyer will conduct his farewell service in Zion next Sunday afternoon. The people part very reluctantly, with their beloved pastor and the shovels with as much snap as any of the young fellows.

Mr. and Mrs. McCullough and family motored from Collingwood and spent Sunday with friends here.

Don't forget the "Sports," and Presentation Meeting in Markdale this Friday evening, at 7 o'clock. Inside program at 8:30 o'clock.

It was the act of events—the Timmins Bros' barn-raising on Tuesday, of last week. They are such good-hearted, obliging fellows that they have the goodwill of the whole country-side, and nearly everyone was there over 400 present at tea time.

The structure is of the finest material from mud-sill to collar-tie and Mr. Harry Heft, of Dornoch, added to his reputation as a skilled mechanic.

Every piece fitted snugly as a glove.

The race was one worth seeing. Over 150 men were called by Captains Henry Peatton and John Laughlin and every man was a worker.

Scores of good fellows were up above and when the last rafter dropped into its socket both sides were shouting, "Victory."

Who won? "Say, it was the closest tie possible." There was a bumper crowd of fair ones, so youth and

beauty celebrated till the bob-o-links thrilled in the dawn of day. June 28, 1918, will be a date to reckon from. Too much praise cannot be given Miss Sue Timmins and her helpers for their overflowing hospitality and generosity.

Zionites are holding their annual picnic on Saturday afternoon in the Pearl-Edwards Grove and are making special efforts to give everyone an enjoyable time.

We had the pleasure of the company of Mr. and Mrs. J. S. Wilson and Miss Dorothy, of Hanover over night and part of a day last week.

Please to report Jimmy Baker recovering nicely from his recent operation for appendicitis.

Mr. James Ellison will soon have to establish a private bank. He sold 28 head of stockers on Tuesday last for \$2100.

Mr. and Mrs. T. Orchard, of London, and Mr. and Mrs. J. Orchard, of Forest, were guests of Mr. and Mrs. John O. Greenwood.

Have just received a letter from Mr. and Mrs. Stewart McNally, of Vilo Alta. Stewart has rented a half section for two years, purchased the stock and machinery from the owner who was drifter. They have 170 acres of wheat and 30 of oats in.

It was a rare pleasure to be at the Lauriston Garden Party on Tuesday evening of last week. Some of the things that attracted our attention were—the hearty co-operation of people in providing tables, fixing up the grounds, which were ideal and catering to the pleasure of the big crowd.

The program was a specially bright one—recitations were given by Misses Leila Varty and Elma Wright; a fine chorus by the girls of the neighborhood and the song by Miss Burrill was one that thrilled the audience.

The selections by the Law Bros. accompanied by Miss Haw were wonderfully sweet and inspiring. Mr. Thomas Nichol made a neat and pithy speech and Rev. A. McGuire had some very pleasant things to say. Prof. Dundas acted as accompanist for some of the singers. One of the finest numbers on the program was the fairy-like dancing of the winsome little daughters of Mr. and Mrs. Thorne Teeter. We have been told that \$125 were obtained over expenses for the use of the Savings Circle.

## TEMPLE HILL

(Special to The Standard) The church was filled to its utmost capacity and there were many who could not get in to hear our former pastor, Rev. Dr. McLaren, speak last Sunday afternoon. The text was Matt. 10:34, the subject being, "Millions Christianity," showing that the Christian Religion was wrongly condemned for not preventing this great "World War." The discourse was greatly appreciated by all who heard it.

Mr. and Mrs. Watt McCullough and family motored from Collingwood and spent Sunday with friends here.
