

Had Piles For Ten Years

And Tried Nearly Everything Except a Surgical Operation Without Obtaining Relief—Tells How Complete Cure Was Effected.

There are reported here three cures of chronic piles, in all three cases many treatments were tried before it was discovered that Dr. Chase's Ointment is about the only real cure for this distressing ailment.

Mrs. A. Oates, 22 Gilkinson street, Brantford, Ont., writes: "I have used Dr. Chase's Ointment as a household remedy for over six years and am particularly indebted to it for a cure from piles. I had suffered from this annoying trouble for ten years, and tried nearly everything that was recommended, but nothing helped me. Finally I got a box of Dr. Chase's Ointment and after using it for a few days I was completely cured and have not been bothered in this way since. I can only recommend Dr. Chase's Ointment to anyone suffering as I did."

Dr. Chase's Ointment, 50 cents a box, at all druggists, or direct from the manufacturer, Dr. J. H. Stephenson, 100 King Street East, Toronto. There are no other Dr. Chase's Ointment as a treatment for piles.
