ALL AT HOME SHOULD PREPARE FOR WAR.

The first test a man is put through for either war or life insurance is an examination of his water. This is most essential because the kidneys play a most important part in causing, preventing old age and death. The more injurious the poison passing through the kidneys the sooner comes decay—says Dr. Pierce of Surgical Institute, Buffalo, N. Y., who further advises all people who are past thirty to preserve the vitality of the kidneys and free the blood from poisonous elements, such as uric acid—drink plenty of water—sweat some daily—and take Anuric, double strength, before meals.

Anuric is a discovery of Dr. Pierce, and can be obtained at drug stores. For that, backache, lumbago, rheumatism, "rusty" joints, swollen feet or hands, due to uric acid in the blood, Anuric quickly dissolves the uric acid as hot water does sugar. Send 10 cents to Dr. Pierce for trial pkg.

Thorold, Ont.—"I think Anuric is the best I have ever taken. My kidneys have given me trouble for years, and I would suffer from backache and limb pain if I took Anuric but it has entirely cured me of all my backache and kidney trouble. I feel safe in recommending it to others." Mrs. C. A. Clarke, Box 1178.

Toronto, Ont.—"For the last two years I have suffered with kidney trouble and rheumatism. I began to feel pain in my back and finally left my back and went down into the depths of despair. I tried every means I could to get relief and consulted some good doctors, but still kept on suffering. About a year ago a friend advised me to take Anuric and say I am today a well man again. The traces of my ailment no longer exist. The other conditions may be Anuric is a real kidney diuretic." Mrs. S. E. Garrison, 5 Matilda Street.

Colonel White wired the following: "My congratulations to Company 70 on record made by them on Saturday April 13. Please convey to the officers and men my sincere thanks and appreciation for the excellent work done by them. This record has not been equalled by any Canadian forestry corps in France or England."

Lieut.-Col. Johnson says: "I would like to convey to Company Number 70 my keen appreciation of an entirely voluntary effort, and it bespeaks a gratifying condition of morale and esprit de corps. I shall always consider it a privilege to have Canadians of the type of Number 70 Company under my command on foreign service."

The mill crew is considered the best out of Canada, and the sawyer is Joe Grignon, at one time a sawyer on the North Star company plant.

25 YEARS AGO.

Items of General Interest. Taken from Standard Files of June 8, 1893.

D. K. McArthur's store at Hopeville was broken into on Wednesday morning last, the safe blown open and \$135 carried off.

Kimberley—Mr. Thurston, of the "Advance", and Mr. Brown of Irishtown, came over on their "hikes" on Wednesday.

June 22, 1893.

Reeve William Lucas came over from the County Council, Owen Sound, on Wednesday, to attend the wedding of his brother, I. B.

A petition of over 5,000 ratepayers of Toronto has been presented to the Council in the favor of submitting to a vote the question of running street cars on Sunday.

The election of officers of the Methodist Epworth League resulted as follows: President, Miss A. Henry; Vice-Pres., G. W. Armstrong; C. Sec., J. E. Cronie; Sec., N. McCay; Treas., Miss A. Morewood; President, Lookout Com., J. Armstrong; President Social Com., Miss F. Pickell.

July 13, 1893. Markdale Cheese Factory took 96 out of a possible 100 marks at the World Fair, Chicago. '98 was the highest taken.

Grand excursion from Dundalk, Flesherton, Markdale and Berkley, stations to Wiarton on Monday 31st.

Meaford has accepted the County Council's offer of \$500 towards the cost of a new bridge over the Big Head River.

Kimberley—Mrs. Robert Nesbitt, of Toronto, and Miss Fannie Wilson, of Markdale, paid their sister, Mrs. J. W. Whithy a short visit recently.

Among 12th of July Notes is the following: "Two weddings were solemnized by Rev. S. H. Edwards in the Methodist church after dinner, viz.: Thos. Neely to Susan Jane McCullough; and Wm. J. McCullough to Nancy Neely, all of Euphrasia—a case of trading sisters."

Stylish brown worsted suits for men, latest model, good trimmings, finished to your measure, for \$15, at P. J. Thompson's.

Major Hanbury went overseas from Winnipeg in the first year of the war, as a captain in an infantry battalion. He saw a great deal of active service and two years ago was returned home wounded. Last June he recruited a company of lumber jacks for overseas forestry work, and established a re-

cord even in recruiting, getting 250 volunteers in the Kamloops and Revelstoke district in a very short time. It is these men who have made the record for British Columbia.

Mark Will Stand

The mill operated by Major Hanbury was the first to hang up a day record, which caused much earnest energy among other forestry battalions mills and was finally beaten by a mill in England, which cut 106,000 feet in ten hours. So Major Hanbury and his boys from the mountains unloosened their shirt-collars and tightened their belts and proceeded to set up a mark worthy of the name of B.C. They worked ten hours and sawed 156,000 feet, which brought the laurel wreath back to them. Sawmill experts in the war work predict that this record will stand for the duration of the war.

Company 70 is the crack body of the forestry forces, holding the (fall) weekly and monthly records for output of lumber sawn. These records have been made in competition with over 100 mills in England and France, in spite of the fact that Company 70 was one of the last mills to commence operations. Their mill has worked an average of 37,000 feet per shift, ever since the day it started.

Officially Thanked.

Commendation of the splendid work of the company has been made by Col. J. B. White, director of timber operations in France, and by Lieut.-Col. G. H. Johnson, commanding a group of Canadian forestry corps.

Colonel White wired the following:

"My congratulations to Company 70 on record made by them on Saturday April 13. Please convey to the officers and men my sincere thanks and appreciation for the excellent work done by them. This record has not been equalled by any Canadian forestry corps in France or England."

Lieut.-Col. Johnson says: "I would like to convey to Company Number 70 my keen appreciation of an entirely voluntary effort, and it bespeaks a gratifying condition of morale and esprit de corps. I shall always consider it a privilege to have Canadians of the type of Number 70 Company under my command on foreign service."

The mill crew is considered the best out of Canada, and the sawyer is Joe Grignon, at one time a sawyer on the North Star company plant.
