

This Blue Serge Suit \$25

By taking the cloth from my stock of tailors' woolsens and having it hand-tailored in this very fashionable three-button model, as shown here, I am able to offer you this guaranteed blue serge suit for \$25. The greatest value in the clothing trade today. City shops are asking from ten to fifteen dollars more for no better suits than these. Don't miss this chance. I have only 16 suits of the line.

FLESHERTON

(Special to The Standard.) Birthdays Celebrated.—Mrs. George Calbeck, one of the pioneer settlers in Armesia, who since the death of her husband 31 years ago, has lived with her daughter, Mrs. Geo. Swanton and son, Toronto Line, celebrated her 70th birthday on Saturday last, July 27th. But few live to the years of this venerable lady who is remarkably smart for one of her great age. Since a severe sickness a year ago her memory is somewhat impaired, but otherwise her faculties are preserved to a wonderful degree. On Saturday afternoon, accompanied by her daughter, just 25 years younger, and who affectionately cares for her, she enjoyed an auto outing to the village in Mr. W. L. Wright's car. Calling at our home we were pleased to again meet the esteemed old lady, whom we have known for many years, and to participate in the congratulations due on this auspicious occasion. Mrs. Calbeck was born in Queen's County, Ireland, where she was married to her late husband in 1843. Coming to Canada the same year, they first settled in Innisfil township, Simcoe county, where they spent six years. In 1849 they came to Armesia and were among the first settlers near this village on the Toronto Line, survived the year before. Many hardships were endured in those days but the early settlers were happy families and had all things common. Their children now enjoy the fruit of their toil. In the many improvements made, perhaps none are greater to this settler than the comfortable motor car in which she rode. Mrs. Calbeck's living descendants are, be-

sides her daughter, two granddaughters, Mrs. W. J. Davis, of Donald, Wash., and Mrs. John Davis, near Markdale; two grandsons, Robert and William Swanton, near Flesherton, and twelve great-grandchildren. The friends here of Mr. and Mrs. Adam Smith, of Armesia, deeply sympathize with them and their daughters in their bereavement they have again been called to pass through. On Saturday last a cabled message was received advising the parents of the death on July 22nd of their son, Fred, a prisoner of war in Switzerland. No particulars received but his recent letters reported him in good health with hopes of being liberated and permitted to return home soon. This adds to the sorrow of the family who looked hopefully forward to his home-coming. He was the last of three sons, one drowned two years ago and one killed in France a year ago.

A quiet marriage was solemnized at the Rectory, Markdale, on July 11, when Miss Lyla M. Fisher, daughter of Mr. and Mrs. Robert Fisher, Rock Mills, became the bride of Mr. James E. Cargoe, of Armesia, East Back-line. Rev. A. W. Richardson performed the ceremony.

Born—At Barrie Hospital, on Saturday, July 27th, to Mr. and Mrs. W. T. Hodgson, of Thornout, a daughter, granddaughter to Postmaster and Mrs. Trimble here.

Dr. Murray's fine residence had a close call from fire last week. Some combustible material igniting in the laboratory set up a blaze which did considerable damage before it was extinguished. The doctor's hands and arms bore marks of fire. This leads us to wonder if our town fathers have these fire fighting apparatus in good order should it be needed.

DE LAVAL Cream Separator

Users of De Laval Cream Separators have carried away every first prize awarded at conventions of the National Creamery Builders' Association during the last twenty-five years. The record is unbroken.

That ought to be proof enough that cream separated by the De Laval is superior to any other.

The reason is that De Laval bowl design, together with low speed, enable the delivery of butter-fat globules unbroken in their natural condition.

The NEW De Laval is the "blue ribbon" separator.

You can buy a NEW De Laval separator on liberal terms. Come in and look over and see how the De Laval Separator works.

The socks on hand is to be sent to Toronto for soldiers' comfort. The program consisted of a paper by Miss L. Delore on "tanning and drying fruits without sugar" which was very appropriate. Miss Coira Olmstead gave a reading, "When Betty economized," and Miss Mabel Olmstead gave a piano instrumental. The roll call was answered by naming a cool drink. The meeting was closed in the usual way, after which the hostess served a dainty lunch. The next meeting will be held at the home of Mrs. Chas. Dobson on the third Wednesday in August.
