

**Had Piles
For Ten Years**

And Tried Nearly Everything Except a Surgical Operation Without Obtaining Relief — Tells How Complete Cure Was Effectuated.

There are reported here three cases of chronic piles. In all three cases many treatments were tried before it was discovered that Dr. Chase's Ointment was the only real cure for this distressing ailment. Mrs. A. Oates, 22 Gilkinson street, Brantford, Ont., who had been using Dr. Chase's Ointment as a household remedy for ever so long and particularly indepted to it for a cure from piles, had suffered from this annoying trouble for ten years, and tried nearly everything heard of. After using Dr. Chase's Ointment a short while I was completely cured.

Mrs. Wm. Shantz, 156 Albert street, Kitchener, Ont., writes: "For several years I was troubled with piles and tried different remedies for relief with success. I read in Dr. Chase's Almanac of the benefits other people were receiving from Dr. Chase's Ointment, so sent to your office for a sample box. I found it gave me such relief that I went to a drug store and purchased a full-sized box. I have used several boxes since and have derived more benefit from its use than any remedy I have ever used."

Mrs. F. Cussons, Victoria street, Ingersoll, Ont., writes: "About two years and a half ago I was suffering from piles. I had tried many different remedies for this distressing trouble, but nothing helped me. Finally I got a box of Dr. Chase's Ointment, and after using it I found that I was completely cured and have not been bothered in this way since. I can cheerfully recommend Dr. Chase's Ointment to anyone suffering as I did."

Dr. Chase's Ointment, 60 cents a box, at all dealers. Edmundson & Co., Limited, Toronto. There are no rivals to Dr. Chase's Ointment as a treatment for piles.
