## TRAVERTON

(Special to The Standard.)

Potatoes, manjolds and farms are nearly all housed along this line and the results of the latter are good. Rev. F. G. Cole has been laid up with a cold the past week and was unable to conduct Zion's service on Sunday afternoon.

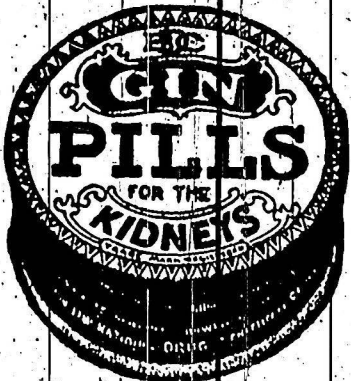

Mr. John O'Neill and his mother, accompanied by Mr. James Lemahan, Owen Sound, attended the funeral of the late Mr. Charles LaVelle of St. Mary's on Saturday. We have known "Charlie" from early boyhood and a clever, cautious, mainly follow he always proved to be.

An event of more than ordinary interest took place at the home of Mr. and Mrs. David Young on Friday evening, when a big crowd from the surrounding neighborhood met at the cosy home to give a welcome back to the Miss Youngs recently invalided home from the nursing home at Toronto by Mr. F. H. Blinnie of Brossess.

The address of Miss Young was warmly welcomed and a most appropriate address of welcome was given by Mr. Arthur Young, who has suffered from his wound and asking him in the final moments of his life to be present at the presentation of the appropriate time. The gallant soldier was equal to the occasion and made an able speech, which most heartily thanking all

their kindness and generosity. "For He's a Jolly Good Fellow" was heartily sung by the company. Bright recitations were given by Miss P. R. Ireland and Miss Leona Goodwill. Songs were sung by the chairman and a group of their ones: Duetts were well rendered by Misses Essie Firth and Mayme Elsie Beaton and Miss M. Halsey. Councillor Peart and Pte. T. Ivin Edwards gave short witty speeches. A good all round feast and "God Save the King" brought the event to a happy close.

Mr. Thomas H. Anderson, youngest member of the late Mr. Thos. Anderson family died on Sunday, October 15th, at the home of his sister, Mrs. J. E. Mantell, at Toronto, after a brief illness. He had spent the greater part of the summer at the home of his brother, Irving, here, and had just gone to Toronto on the Monday preceding. Deceased was born 37 years ago at St. Catharines, Ontario, and spent the greater part of his life there. When quite a young man he went to work in a country and then returned to his home in the city. He was a very bright and full-blooded man, and was a member of the G. T. R. He was a member of the G. T. R. He was a member of the G. T. R. He was a member of the G. T. R.

The Little Doctor always ready—Always on hand to relieve kidney and bladder troubles, and help nature purify the blood. The National Drug & Chemical Co. of Canada, Limited, Toronto, Ont.

PTA. G. GREEN Who paid the supreme sacrifice Sept. 2nd, 1918.

Was born in Orroris, Cookstown, Co. Tyrone, Ireland.

Calmly he sleeps in a soldier's grave. Life's trials now are over. God's message came and called him home.

From the battle fields of Flanders 'Tis hard to part with him we love. But God's will must be done. He knows what's best and holds our hand.

Until our race is run. Oh, call it not death, it is but a sleep. For the waters are passed, the angels are won.

The ransomed spirit has found his shore. Where they weep and bid adieu no more.

It is safe in the Father's arms above. In a place prepared by His dear love.

Then we'll all bid him a hearty welcome. For happy are they who in Jesus sleep.

## Too Nervous To Sleep

Nerves Wrecked by Accident Was Afraid to Go in a Crowd or to Stay Alone—Tells of His Cure.

Much sympathy was felt in this city for Mr. Dorsey, who met with a distressing accident when his foot was smashed in an elevator.

The shock to the nervous system was so great that Mr. Dorsey was in a pitiable condition for a long time. He was like a child in that he required his mother's care nearly all the time. He feared a crowd, could not stay alone and could not sleep because of the weakened and excited condition of his nerves.

Detroit doctors did what they could for him, but he could not get back his strength and vigor until he fortunately heard of Dr. Chase's Nerve Food.

It is no mere accident that Dr. Chase's Nerve Food proves to be exactly what is needed in so many cases of exhausted nerves. It is composed of the ingredients which nature requires to form new blood and create new nerve force. For this reason it cannot fail and for this reason it exceeds when ordinary medicines fail.

Mr. Laurence B. Dorsey, 39 Stanley street, London, Ont., writes: "About three years ago I got my foot smashed in an elevator in Detroit, which completely wrecked my nerves. I dozed with the doctors there, but they did not seem to be able to help me. My nerves were in such a state that I could not go down town alone or go any place where there was a crowd. Sometimes my mother would have to sit and watch over me at night and sometimes I could not get any sleep at all. But one day last winter I came using Dr. Chase's Nerve Food, and before I had completely used the first box I could see a difference in my condition. I continued using these pills for some time. The result was that I feel so much better, can sleep well at night, can go out in the street and attend gatherings like the rest of people. I am so pleased to be able to tell you what Dr. Chase's Nerve Food has done for me, and to recommend it to other people."

Dr. Chase's Nerve Food, 50 cents a box, a full treatment of 6 boxes for \$2.75, at all dealers or Edmonson, Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappointing.

## WALTERS FALLS

(Special to The Standard.) The Women's Institute held their regular monthly meeting at the home of Miss Maggie King, and decided to hold boxes for overseas on Tuesday, October 22nd. Next in line meeting is to be held at Mrs. J. Hamill's.

Mr. Byron Farney has sold out his property in the village of St. Mary's, and is now in London.

A few cases of Flu are reported in the neighborhood, but it is present in these are none in the village.

Mr. and Mrs. John Stuck, Mrs. Plurid and Mildred, accompanied by Mr. and Mrs. Thomas Binney motor out to Chatsworth and spent Sunday with Mr. and Mrs. Roger Wilson.

## PRICEVILLE

(Special to The Standard.) Death of Pte. R. E. McLean. In the first week of October a message announced that Robert E. McLean, son of Mr. and Mrs. D. G. McLean was seriously wounded. Friends and villagers in general lived in hopes that he would improve, but on the afternoon of the 10th the said and dispiriting message arrived stating that he passed away on September 30 next day after being wounded. Deceased was married and leaves a wife and two-year-old child, residing with friends in Berkeley. Robert enlisted with a Western battalion that went overseas in 1916. He was slightly wounded in the firing line again. His brothers, Allan and Donald, have been wounded and are convalescing in English hospitals.

Pte. Angus McLean, who has been training for the Air Service, was home with his mother for a few days lately and on the eve of his return to Mohawk camp our civic officials presented him with an address and wrist watch. It is pleasing to see that many of our young men who have joined the colors have seemingly merited the favor of our town fathers and have been recognized in the above manner, but we are not mistaken we could refer to several village boys who have joined the colors and gone away without any civic recognition, whatever, perhaps our officials know the reasons for so doing.

Dan McKinnon, who has been out West in the country north of Moose Jaw, has returned home and is again Ass't Postmaster.

Neil Shortland, R. A. F., of Camp

## F. T. HILL & CO.

Markdale

(Special to The Standard.) Several in this vicinity are laid up with the Spanish influenza and some have had it and are on the mend. Four of Mr. R. H. Wiley's family are down with it. Mrs. Tom Thompson is recovering and Mr. Sam Wiley Jr. is able to be around again. We hope for the speedy recovery of those who are afflicted at present. We are pleased to report Mrs. Wm. Woods improving. Mr. and Mrs. Wm. Woods field of Epping were visitors at the home of Mr. and Mrs. E. Wilcox on Friday and Saturday last.

The present season is one of the busiest with the farmers taking up potatoes and roots of all kinds. With a few more fine days the crop will be pretty well cleaned up and housed for the winter.

The Menary brothers were in the neighborhood last week with their corn cutting outfit, but the jobs are few and far between.

Mr. E. Wilcox has some red carrots which are hard to beat. They pulled one a few days ago which tipped the scales at a little over 3 lbs. Come now Riverdale and let us hear from you.

Pte. Harold Hutchinson has returned home from overseas, where he spent the past few years in the fight for Liberty and Freedom.

Pte. Sanford Breadner is expected home from England soon. Sanford in Ebenezer burying

Canadian women are right. When the nurse is in the hospital, it is in the rear of the actual fighting line.

Many of our Canadian women are able to take up the duties of nursing in the front, but they should know how to take care of their own health, and for this purpose no better book was ever printed than the Medical Adviser, a book containing 1000 pages, and bound in cloth with chapters on First Aid, Home Nursing, and Current Facts. Taking care of the Sick, Physiology, Hygiene, Mother and Babe, which can be had at most drug stores, or sent 50 cents to Dr. P. H. Conroy, St. Bridget, Ont.

The women at home who are worried about their children, take that reliable temperamental herb, Dr. Fernal's Favorite Preparation.

(Special to The Standard.) Potato season is over and manjold lifting taken the place.

Most of the farmers are done plowing.

Mr. T. Cornfield has purchased the Thurston farm, which Mr. A. Harvey still occupies. We all join in wishing Tommy much success.

Mr. H. Ward has disposed of one of his drivers.

Mr. R. J. Burrill spent the past

The Lungs of Your Range

There is no flue system just like that of the Pandora Range. Before you buy a range learn about the Pandora method of heat distribution—it is the secret of good baking and of every kind of good work a good range should do. It is the lung system of the range.
