When will you end?

Thousands upon thousands, hold their lives cheap as the price of Victorious Peace.

And we—as we watch from afar their heavy efforts—may we be able to say that the little we ourselves could do, we have done.

—that in so far as we could support them, after their burdens, bring them comfort, we have done it.

—that we have given unceasingly to sustain them stay in the front line.

—that freely and unreservedly, we have offered our humble offerings at the altar of Victorious Peace.

Another certainty is that your wages will be the lowest since the war, and that the cost of living will be the highest.
