GERMANS SACKED EVACUATED TOWNS

THE MATERIAL LOSSES ARE INCALCULABLE

French and Belgium Cities Celebrate End of Four Years of Privation and Oppression.

Douai, in its waste and desolation Douai, in its waste and description is a sad sight. Moving pictures of the city should be taken so that the world could see for itself sights which canrot be described.

The streets are filled with furniture and articles of all kinds. It might be said that in Douai all the in aneasylums had been opened and that madmen in their fury had taken delight in destroying everything. material losses are incalculable. The stained glass windows in

Church of St. Peter have smashed, and the great organ has beer broken up. Religious ments were found scattered. the floor of the church. The Hall, where the German comm ant had his quarters, was pillaged end sacked. Most of the painting in the museum were taken away, fortunately the belfry was undam

Roubaix and Turcoing yesterday celebrated their deliverance in the enemy, and it was like a Ch mas, New Year's Eve and Fourt July all rolled into one. Tear of joy interminated with shouts of laughter, while the population sang and danced and waved flags.

The two cities went completely will with emotion and joy. There will with emotion and joy. were kisses, hugs and handshakes for every British soldier. On windows housewives had pasted tures of French and British military celebrities torn from magazines.

There was good reason for baix and Turcoing to celebrate the end of four long years of hardship privation and appression. swashbuckling Germans had leaving in their wake as much as they could do. Nearly home in the city had been sacked away were destroyed.

Systematically Burglarized. The Germans were piqued at being orced to leave the towns, and went to extreme lengths to destroy and steal. Roubaix and Turcoing were systematically burglar zed Roubaix suffering the most. In baix the Germans cut fine lea seats from chairs, ripped pictures

could lay their hands on.
If or miles around Roubaix of scidiers are scattered all about There are miles, of mangled when the shell craters are so thick that it is impossible to tell where begins and the other leaves off. and there are old machine gun mounds of stone, concrete and dirt. The trees are leafless, and many have bullets.

Rejoicings at Bruges. Scenes of happiness at Bruges clipsed those of Lille following liberation of the two cities. During the occupation of Bruges by the mans, the people there were not lowed to receive news from the oute world or from their friends inside the German lines, unless the r Bruges was fined enormous sims on various occasions, the corres dent says, and everything made metal was taken away. The city searched four times for copper. works at Bruges were robbed of ev scrap of machinery. The Germans paid for nothing except food drink, and then only in paper ma The town itself is intact, and the belfry and the front of the Hote Ville are uninjured. Most of the tures remain in the gallery, Bruges seems to be as restful the old days, except that all bridges are gone. German mines completed the work done by British terredoes which were launched at submarine base at Bruges.

Carried King on Shoulders. The men, women and children Ostend were so overjoyed when Daily Mail, were carried to the town hall on the shoulders of men in the large crowd which greeted the King and Queen at the landing. All ordinary bonds of restraint were loosed the happy delirium of the occasion. the Queen walked to the city hall surrounded by a great crowd of children.

We consume more sugar than good for us, as a rule. Improve your diet and acquire some new pleasures of the breakfast table by using a little salt instead of a lot of sugar on your grapefruit and cereals.
