## The Bridge to British War

The Victory Loan is a bridge over which the farmers of Canada drive their hogs, their cattle, their grain and all their surplus crops to the profitable British market.

For, the money raised by the Victory Loan enables Canada to give credit to Great Britain. And only by means of that credit can Great Britain buy the products of Canada's farms.

Therefore, when you come forward at your country's call and loyally lend your money that Canada may continue her vigorous prosecution of the war, you are also benefitting your- self.

# Buy Victory Bonds

It is not only a heavy burden but a blessing before the close of the war. This is a vital people's duty.
