## PRACTICAL FARMING

### Developing The Bacon Hog

For a number of years bacon

farmers have confined their

breeding to the production of

bacon hogs of the best type.

This was brought about by

the fact that the desired

type of hog was not found

in the market, and so the

best type of bacon hogs

were not found in the mar-

ket, and so the best type

of bacon hogs were not

found in the market, and

so the best type of bacon

hogs were not found in the

market, and so the best type

of bacon hogs were not

found in the market, and

so the best type of bacon

hogs were not found in the

market, and so the best type

of bacon hogs were not

found in the market, and

so the best type of bacon

hogs were not found in the

market, and so the best type

of bacon hogs were not

found in the market, and

so the best type of bacon

hogs were not found in the

market, and so the best type

of bacon hogs were not

found in the market, and

so the best type of bacon

hogs were not found in the

market, and so the best type

of bacon hogs were not

found in the market, and

so the best type of bacon

hogs were not found in the

market, and so the best type

of bacon hogs were not

found in the market, and

so the best type of bacon

hogs were not found in the

market, and so the best type

of bacon hogs were not

found in the market, and

so the best type of bacon

hogs were not found in the

market, and so the best type

of bacon hogs were not

found in the market, and

so the best type of bacon

hogs were not found in the

market, and so the best type

of bacon hogs were not

found in the market, and

so the best type of bacon

hogs were not found in the

market, and so the best type
