

THE MARKDALE STANDARD

THURSDAY, JANUARY 9th, 1919.

Owing to shrinkage in population some townships are not entitled to a deputy-revee while others resort to questionable means of reaching the necessary number. The absence at County Council of additional representatives over and above the revee is surely not a serious loss to any municipality.

It is the universal desire of the citizens that the Markdale Silver Band be reconstructed. From what we know, the citizens will stand behind it and it will become one of the big assets of our town. We call attention to the notice in our local column. See that you who have musical ability are anxious to hold your torch as there. Mr. Perkins will be a splendid leader. This is a great opportunity make it a first-class band.

THE LATE COLONEL EVELT

The removal by death of Colonel Theodore Roosevelt is a world-wide calamity. He has been for some years one of the outstanding figures of the world's men. A great Statesman, fearless, conscientious, outspoken, determined, with a dash of impulsiveness that was more refreshing than tabloidism. His place in the history of his nation, and his force in the history of his generation, will rank with any of those belonging to the great Presidents of the great nation to the south of us.

HOW TO FIGHT SPANISH INFLUENZA

BY DR. L. W. HOWERS.

Avoid crowds, coughs and crows, but fear neither germs nor Germans! Keep the system in good order, take plenty of exercise in the fresh air and practice cleanliness. Remember a clean mouth, a clean skin, and clean bowels are a protecting armour against disease. To keep the liver and bowels regular and to carry away the poisons within, it is best to take a vegetable pill every other day, made up of May-apple, aloes, jalap, and sugar-coated, to be had at most drug stores, known as Dr. Pierce's Pleasant Pellets. If there is a sudden onset of what appears like a hard cold, one should go to bed, wrap warm, take a hot mustard foot-bath and drink copiously of hot lemonade. If pain develops in head or back, ask the druggist for Anuric (anti-uric) tablets. These will flush the bladder and kidneys and carry off poisonous germs. To control the pains and aches take one Anuric tablet every two hours, with frequent drinks of lemonade. The pneumonia appears in a most treacherous way, when the influenza victim is apparently recovering and anxious to leave his bed. In recovering from a bad attack of influenza or pneumonia the system should be built up with a good herbal tonic, such as Dr. Pierce's Golden Medical Discovery, made without alcohol from the roots and barks of American forest trees, or his Ironic (iron tonic) tablets, which can be obtained at most drug stores, or send 10c. to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for trial package.

Thick, Glossy Hair

FREE FROM DANDRUFF

Girls! Try it! Hair gets soft, fluffy and beautiful—Get a small bottle of Danderine. If you care for heavy hair that glazes with beauty and is radiant with life, has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. If you do not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots furnish, loosen and die; then the hair falls out fast. Surely get a small bottle of Knorwick's Danderine from any drug store and just try it.
