ALL IDEAS OF PROFITS

Everything possible will be done to make the balance of this 15-day sale of mighty value—giving the banner days of all. All the sale lots are moving quickly. Many articles which have not moved at the prices they were marked have been dropped to still lower figures, without reserve. THIS STOCK MUST BE CLEARED. To miss the opportunities at this sale is to turn your back on economy. It is certainly one of the most important sales we have ever held. It comes after a period of abnormally high prices and offers just the merchandise you want and need for less than you ever expected to pay. Below you will find a few extras, added for this week, along with the other thirty summers. Come, look us over.
