And Waken Me—Unable to Rest or Sleep, I Walked the Floor in Nervous State—When Specialists Failed I Found a Cure.

This is the kind of cure that sets wilder people thinking and talking about Dr. Chase's Nerve Food. The action of this food is so radically different to the usual remedies for the nerves that everybody wants to try it. Gradually and certainly it nourishes the starved nerve back to health and vigor and the benefits obtained are both thorough and lasting.

Dr. Chase's Nerve Food, 50 cents a box, a full treatment of 6 boxes for \$2.75, at all druggists or Edman's Bazaar & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappoint.

Among the candidates we heard named for the position of Warden in this county we think Reeve McKenna, of Artemesia, in point of service and experience has a claim above all others. We believe he will be this year the member with longest continuous service in the Council, entering now upon his twelfth year. He has during his years of service filled the position of Chairman of the most important committees in the Council which alone tends to give a representative for the greater duties of Warden. It is his year a rural municipality's turn and Artemesia has now a good claim for the honor.

## END STOMACH TROUBLE, GASES OR DYSPEPSIA

"Pape's Diapepsin" makes sick, sour, gassy stomachs surely feel fine in five minutes.

If what you just ate is souring on your stomach or lies like a lump of lead, or you belch gas and eructate sour, indigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth, and stomach-ache, you can get relief in five minutes by neutralizing acidity. Put an end to such stomach distress now by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach ailment caused by food fermentation due to excessive acid in stomach.

Mr. Lavery, of Toronto, a representative of the Christian Men's Federation of Canada, spoke in the Presbyterian church on Sunday afternoon in behalf of the destitute and suffering children of Belgium. Keep Them Smiling

# Soldiers Home Coming Campaign

The "Welcome" sign still hangs high on the doors of the Salvation Army Hostels. Help them to keep it there! While our soldiers have need of the comforts—spiritual as well as bodily—DON'T shut the doors in the boys' faces—Keep them smiling!

The Salvation Army appeals for a Million Dollars for the boys who won the victory. This is the first time the Salvation Army has made a general appeal for its work. We urge you now, for the sake of the soldiers, and as a VITAL factor in the solution of Canada's Reconstruction problems, with the Homecoming of her boys, to give and to give liberally!

Our men in Khaki may not all be home for another year. While there is a company of Canadians in uniform over there or over HERE, there is work for the Salvation Army Lassie. The weary waiting and the relaxed discipline spell dangers that MUST be guarded against. A happy smile and a comfortable body help to keep trouble at a distance. Do not let the Hostels shut for lack of funds!

"First to Serve—Last to Appeal"

A WORD ABOUT THE HOSTELS—Have you ever been inside a Salvation Army Hostel? If not, ask a returned man about the Hostels in Paris, London, Toronto, Hamilton, or any others that he has stayed in over HERE.

Let HIM tell you about the REAL beds, the home cooking, the fried eggs and hot coffee—and hot baths. If he knows you very well, he may give you a hint about the spiritual comfort the Salvation Army Lassies give these men far from home and all it means!
