GUARDING ST. PAUL'S CATHEDRAL

AGAINST AIR RAIDS DURING THREE YEARS AND MORE

Great Masterpiece, Untouched by the Ravages of a Cruel War, Stands Safe and Serene.

The men who have guarded St. Paul's Cathedral during the great war... Protection against bombs was all that could be done...

Night Watches. Which was organized in 1915... to guard every night for three hours...

Free from the Masses. Through these brave souls and the other millions who dared a better world is being born...

Who shall say what this may mean to the future of the world? What may not these freemen accomplish...

their profits for years without thought from them because the necessary bolt to direct their attention...

To attempt to give in detail an estimate of the correction of economy which the necessities for economy...

FLIGHTS IN THE FUTURE From London to New York in Thirty Hours by Aeroplane.

Many people are wondering what our aviators will do when peace is signed. This question is answered in Hodder's Stoughton's new publication...

Two miles a minute is quite an ordinary flying speed to-day. To-morrow we shall be flashing through the sky at one hundred and eighty miles an hour...

Such trips sound like fairy tales, but they are based upon sound scientific formulas. Probably the first postal service will be the first passenger service...

Through scarcity of such materials as paper, twine and wood for boxes there has come a remarkable era of economy in the packing, shipping and delivery of every character in every city and town throughout the country...

God having blessed His arms with victory, the Admiralty returns public thanks for the same at two o'clock on Monday...

water poured on fruit stains remove them as by magic. The River Rhine has a length of 1,000 miles...

though water isn't intoxicating, it makes barrels tight. Putting the month of November six months' notice in Victoria county...

small piece of sliced potato fitted into some utensil on the desk serves as an excellent agent for keeping of pens in good order. The potato is used as a pen-wiper.

SILVER LINING TO WAR'S DARK CLOUD

BLESSINGS IN DISGUISE THAT HAVE ATTENDED CONFLICT

Many of These Lessons Will Last Longer Than the Evils Which Accompanied Their Birth.

Horrible as is war itself and terrible as has been the toll paid by humanity in this greatest struggle of the ages which has just ended, still all is not gloom. In the midst of all the sufferings and all the anguish which has wrung the hearts of millions...

For those whose hearts are bleeding and whose spirits are crushed down by sorrows too deep and too real to mean anything but overwhelming disaster...

Their dead cannot be brought back to them. But even such a loss as this must be softened and glorified by the knowledge that the sacrifice of these young lives has not been in vain.

Through these brave souls and the other millions who dared a better world is being born. A power of evil which all but succeeded in crushing the whole earth within its slimy grasp...

Who shall say what this may mean to the future of the world? What may not these freemen accomplish which never would have seen the light of achievement had it yoke of servitude remained upon them?

their profits for years without thought from them because the necessary bolt to direct their attention to these things never had come to them.

To attempt to give in detail an estimate of the correction of economy which the necessities for economy...

The Weekly Fashions

This pretty model for the schoolgirl is charming when developed in contrasting materials. The middie is quite short and buttons snugly around the waistline...

This charming frock is developed in satin and is quite dressy for afternoon wear.

There are others. In one of the latest hospitals of the army not long ago a new librarian was set to work by the Library Association.

What's it about? "What's it about?" the patient asked. "Oh, this is 'Bambi,' said the librarian. 'It's a book about a girl who married a man without his having anything to say about it.'"

MONEY ORDERS. Pay your out-of-town accounts by Dominion Express Money Orders. Five Dollars costs three cents.

For the Invalid. Many invalids find the weight of the bedclothes almost unbearable. An easy rest for them can be made from barrel hoops.

Lincoln's Inn. London has rightly been called the "Bagdad of the West," but it will be a surprise to most people to hear that there is an open air vine in the Metropolitan, in Lincoln's Inn.

The Word Was Pale. "Saleman—I suppose you require a grand piano, madam?" Mrs. Mewchursh—"Grand! I want a magnificent one."

Minard's Liniment Cures Diphtheria. A train traveling sixty miles an hour can be stopped within 120 yards.

When boiling fish, always tie it in a thin cloth and add a little vinegar to the water. This makes the fish firm and keeps it white.

Minard's Liniment Cures Colds. A dainty bureau scarf can be made with dimity bordered with checkeredingham or used on the bias for flowered cretonne.

A Kidney Remedy. Kidney troubles are frequently caused by badly digested food which overtaxes these organs to eliminate the irritant acids formed.
