Ringworm on Child's Head

Caused Great Distress and Spread to Neck and Ears—Cure Was Speedily Effectuated When Right Treatment Was Recommended.

There is no disease of the skin more obnoxious than ringworm, and the mother who writes this letter does so fully realizing what it will mean to other anxious mothers to know about Dr. Chase's Ointment.

This remarkable cure was brought about two years ago, and as there has been no return of the distressing disease since, there can be no doubt that the cure is permanent.

Mrs. D. Stabbins, Grand Bend, Ont., writes: "I am going to tell you of my experience with Dr. Chase's Ointment. My little girl had sores come out on her head which looked like ringworms. They were spreading rapidly and it bothered her a great deal. I took her to the doctor, and he opened some of the sores, which were as big as the yolk of an egg. The salve he gave me to put on was very severe, and the poor child would cry for an hour or more, after an application. For six weeks it continued to spread all over her head, and she had sores on her neck and ears. She suffered terribly. At last some kind ladies told me about Dr. Chase's Ointment, so I got a box, and the first time I put it on she was relieved of pain, and the second time the swelling was all gone. Before we had finished the first box, the sores were nearly all gone. I have told all the people around here about her Ointment, and I cannot praise it too much. It is now two years since my little girl was troubled in this way, and it never came back, so you can see she is completely cured. You are at liberty to use this statement for the benefit of others who may be suffering in a similar manner."

Dr. Chase's Ointment endorses this statement as follows: "This is to certify that I am personally acquainted with Mrs. D. Stabbins of Grand Bend, Ont., and believe her statement with reference to Dr. Chase's Ointment to be true and correct."

Dr. Chase's Ointment, 60 cents a box, all dealers, grandman, Bates & Co., Limited, Toronto. Be suspicious of the druggist who tries to talk you into accepting a substitute.
