THE WEBER TANGLE.

Considerable gratuitous and much exaggerated publicity has been given one Joseph Weber, reeve of the village of Neustadt, who, we are informed came from Germany, thirty years ago locating in this county penniless but now rated at over fifty thousand. He attended county council two weeks ago in Owen Sound, several charges for acts of disloyalty hanging over him. Members of the county council, having no relish for such company, frankly reminded him of his extreme nerve in presuming to be present, yet he persisted in remaining until it was rendered uncomfortable to stay longer and one night he was escorted by returned soldiers, who protected him from possible violence until he got safe away. He walked via G. T. Railroad track to Shallow Lake, some nine miles, where a railway official furnished warm quarters until the early morning train arrived on which he returned home. Rumor says that forthwith influenza developed, and as a result exposure to the cold. Common sense would dictate that the crowded theatre which he had attended that night would be more likely to produce flu than a nine-mile walk in open air.

It is not reasonable to expect from emigrants loyalty to our laws and appreciation for protection and generous opportunities for material prosperity, rather than acts of sedition. Under present conditions there would seem to be room for a somewhat extensive work in deporting foreigners who manifest a determination to evade the laws of the land.

Mr. Weber's son was last week sentenced to penal servitude for ten years for desertion.

SPANISH INFLUENZA

Do Not Fear When Fighting a German or a Germ!

By Dr. M. COOK.

The cool fighter always wins and so there is no need to become panic-stricken. Avoid fear and crowds. Exercise in the fresh air and practice the three C's: A Clean Mouth, a Clean Skin and Clean Bowels. To carry off the poisons that accumulate within the body and to ward off an attack of the influenza bacillus, take a good liver regulator to move the bowels. Such a one is made up of May-apple, leaves of aloë, root of jalap, and is to be had at any drug store, and called "Pleasant Purgative Pellets."

If a bad cold develops, go to bed, wrap up well, drink freely of hot lemonade and take a hot mustard foot-bath. Have the bedroom warm but well ventilated. Obtain at the nearest drug store "Anuric Tablets" to flush the kidneys and control the pains and aches. Take an "Anuric" tablet every two hours, together with copious drinks of lemonade. If a true case of influenza, the food should be simple, such as broths, milk, buttermilk and ice-cream; but it is important that food be given regularly in order to keep up patient's strength and vitality. After the acute attack has passed, which is generally from three to seven days, the system should be built up by the use of a good iron tonic, such as "Ironic" tablets, to be obtained at some drug stores, or that well known blood-maker and herbal tonic made from roots and barks of forest trees—sold everywhere as Dr. Pierce's Golden Medical Discovery.

Henry, Mr. Alex. Irwin gave a fine talk on "Reconstruction." The members answered the Roll Call by repeating a verse of the favorite hymn. The League is preparing for an "Evening with Scotland" on Friday, February 28th.—Announcement in full next week.

Jas. R. Fawcett visited Clarksburg and Thornbury friends last week and attended a meeting of the Literary Club, Clarksburg, on Wednesday last. A paper was given by Mr. Williams of Collingwood on the Federation of Nations, which was favorably commented upon by five reverend gentlemen and two doctors.

Our skating rink has been well patronized during the past week. We expect a carnival soon.

A number of the neighbors and friends of Mr. and Mrs. Harold Proctor met at the home of Mr. George Proctor and presented them with many articles of furniture both useful as well as ornamental on the eve of their departure for their new home at the Power House. Their many friends join in wishing them prosperity and happiness in their new home.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't hurt tender Little Stomach, Liver and Bowels.

Look at the tongue, mother! I coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad, has sore throat, diarrhea, full of cold, give a teaspoonful of "California Syrup of Figs" and in a few hours all the foul, constipated waste, undigested food and sour bile gently move out of its little bowels without groaning, and you have a we'll, playful child again. Ask your druggist for a bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

"CASCARETS" WORK WHILE YOU SLEEP

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—Take Cascarets tonight.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, sour gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret to-night will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—10-cent box from your druggist will keep you feeling good for months.

Rev. Mr. Channon preached morning and evening in the Presbyterian Church last Sunday to large congregations, and created favorable comment, also a Rev. Mr. Reddon preached two sermons on the Sunday previous and made a good impression on the congregation, but we think the officials will investigate a little further before making a decision as to who they will give a call to.

Some fine mornings when foot marks of the evening before are easily seen in the snow, we surmise that Cupid's raid on certain of our widowers is not without effect, and if he could make as successful a shot at the heart of some of our adorable widows, then we would speedily see two ingle-nooks transformed into one.
