

END STOMACH TROUBLE, GASES OR DYSPEPSIA

"Pape's Diapepsin" makes sick, sour, gassy stomachs surely feel fine in five minutes. If what you just ate is souring on your stomach or lies like a lump of lead, or you belch gas and create sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach-head-ache, you can get relief in five minutes by neutralizing acidity. Put an end to such stomach distress now by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder caused by food fermentation due to excessive acid in stomach.

Monday evening and visited the League of that place. The Vandeleur members supplied the program and a pleasant and profitable time was spent by all. The Manager of the Walkerton Creamery was in this vicinity during the past week, finding out the prospects for a packed cream this neighborhood next summer. The Vandeleur Farmer's Club held their February meeting in the hall on Monday evening of last week. The meeting was largely attended and ordered their seed corn and birdlime for the coming season. About twenty names were handed in as subscribers to the Farmer's Daily Newspaper. Messrs. Lucas and Young, of Markdale, were present and spoke briefly on the Banking System that should be adopted by the Club. Our popular school teacher, Miss Maude Plewes has adopted a plan for providing the children with a warm dinner which she believes should prove very beneficial to the pupils and might well be copied by other schools in the district. She purchased several culinary articles and arranged the children into committees. Each committee takes its turn in providing certain articles for the diet, which are cooked and prepared by the children. In this way they obtain some knowledge of domestic science, as well as derive the benefit of a warm mid-day meal.

PRESENTATIONS.

A presentation party was held at the home of Mr. and Mrs. J. L. Irving recently, when the following address was read and presentations made: Dear Friends.—We regret to hear that you are leaving for a new home in the near future and thought it only fitting that we should assemble once again in your pleasant home to enjoy a few more pleasant hours with you as you leave us. As neighbors you have ever proven yourselves in need, always unselfish and thoughtful for others and no call for assistance was ever in vain. As citizens you have added much to the social life of the neighborhood and many of us can assure you that we spent many an enjoyable evening at your home. You, Mrs. Irving, Dell and Eveline, as members of our organization, have rendered much valuable assistance, and we hope your new home may not be too far removed for you to still keep in touch with our various schemes. During the ten years in which you have been a resident of Cherry Grove you, Mr. Irving, have always taken an active interest in the educational affairs of the neighborhood, having small token of remembrance of the school board for nine years in one of the heroes that let you go without some slight tokens of our appreciation. We therefore ask Mr. and Mrs. Irving to accept this buffet, Misses Dell and Eveline, Messrs Dick and Willie these three books, as slight mementos of our friendship and esteem. Wishing you many more years of happiness and prosperity signed on behalf of the company—John Penelton, Russel Hill. About forty neighbors and friends gathered at the home of Mrs. John Fadden, Grange Valley, on February 6th to give a welcome to his son, Pte. Richard Fadden who has recovered since being wounded in the ankle. During the course of the evening he was presented with a fountain pen and gold link watch and the following address was read. Although taken by surprise, he made an appropriate reply. Pte Richard Fadden—We, your Wear Thompson's clothing
