Yes, Madam, your favorite sugar, as much as you want.

One of the most satisfactory material pleasures of Peace is that we may again have plenty of

Lantic Sugar

The Seal of Purity

UNDER war conditions we were unable to supply anywhere near the demand for Canada's favorite sugar. Few ships were available for bringing raw sugar from the tropics and a large part of the product of our refinery was needed for our soldiers overseas.

Happily, Peace has changed the whole sugar situation. Unless unforeseen circumstances should arise the Lantic Red Ball will again brighten the shelves of stores throughout the country and housewives may have as much as they need of the famous Lantic "FINE" granulated, the perfect sugar for baking and the table; also, there will be plenty of the Lantic delicious Old-fashioned Brown Sugars for the many dishes in which flavor is indispensable to success.

You may again buy Lantic Sugar in the larger original packages, the 10, 20 and 100-lb. sacks, as well as in the 2 and 5-lb. cartons. The accurate weight and perfect protection of the contents of Lantic packages make them the most economical way of buying sugar.

Ask your grocer for Lantic Sugar, the sugar with the Red Ball on every Carton or Bag.
