(Intended for last week.)  
Our nice spring weather caught a bad dose of flu and was pretty severe for a few days.

**IN THE SPRING**  
(When Energy and Vitality are Lowest, then—Influenza!  
(By S. C. BOWER, M. D.)  
At this time of the year people feel weak, tired, listless, their blood is thin, they have lived indoors and perhaps expended all their mental and bodily energy and they want to know how to renew their energy and stamina, overcome headaches and backaches, have clear eyes, a smoothly ruddy skin and feel the exhilaration of real good health tingling thru their bodies. Good, pure, rich, red blood is the best insurance against ill of all kinds. You are apt to suffer from an attack of Influenza if your health is run down.  
Purify the blood and you can defy influenza. This is the time to clean house and freshen up a bit.  
Drink hot water a half hour before meals, and for a vegetable tonic there's nothing better than Dr. Pierce's Golden Medical Discovery, the old-fashioned herbal remedy, which has had such a fine reputation for fifty years. It contains no alcohol or narcotics and is made into tablets and liquid. Send 10 cents to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y. for trial package.  
Saratoga, Ont.—"For many years I suffered with malaria. It would affect my head, extending down into my neck and shoulders. I took Dr. Pierce's Golden Medical Discovery and was completely cured. I have also taken Pleasant Tablets and found them an excellent remedy for constipation, bilious attacks, also stomach and liver troubles. They seem to regulate one's whole system. Ever since I can remember Dr. Pierce's medicines have been used in my family. I am always ready to recommend them."—W. J. Lane, 272 Railway Avenue.

**HARKAWAY**  
(Special to The Standard.)  
Beautiful spring weather again. The farmers will soon be on the land to sow the fruitful seed once more.  
On Friday evening a reception was held at Harkaway church for Rev. Fred Ellis and Pte. Angus Torrie. A splendid programme was provided. Four ministers were present, namely, Rev. Mr. Elliott, of Walters Falls, Rev. Mr. Stanley and Rev. Mr. Richardson, of Markdale, and our pastor Rev. Mr. Wakefield. Revere J. A. Boyd, of Markdale, was also present. Very interesting speeches and addresses were given by all five. The musical part of the programme was provided by the following singers, in forms of solos and duets:—Miss N. Burrill, of Markdale; Misses Mustard and Mr. Morrison, of Strathavon; Misses Proud and Elliott, of Walters Falls; and Miss Daisy Wallace, of Harkaway. Readings were rendered by Miss Stillwell, of Walters Falls, and Miss Daisy Wallace. The programme was thoroughly enjoyed at the close of which "The Soldiers of the King" were each presented with valuable gold medals. After the program lunch was served in the basement of the church.  
Mrs. Jas. Leopard spent a week at the home of her parents, Mr. and Mrs. R. Johnston.

# GRAY DORT

## The Ultimate in Value

Motorists who come to the Gray Dort after having driven other cars, find in the end—whether they previously paid more or less—that the Gray Dort offers the highest value.

This is the direct result of the basic policy of our business—to build a fine light car, completely satisfactory, sturdy, economical. That we are able to sell such a car at a low price is due entirely to the unequalled efficiency of our factory.

Undoubtedly, you too

will come some day to the Gray Dort as the ultimate in value. You will demand the speed, power, quietness of the Gray Dort motor; the roominess and comfort of the Gray Dort body; the standard equipment. You will find these things at a lower price. You need not pay a higher.

The touring car is \$1245; the Gray Dort Special—the car with added accessories and extra equipments, is \$1575 extra thereon as a coupe, and a sedan. All prices f.o.b. Chatham and are subject to change without notice.

**IN MEMORIAM.**  
In proud and loving memory of my dear husband, Lange-Corn, Robert Elfin McLean \$30619, of the 144th Battalion, drafted to 8th Canadians C. E. F., died of wounds September 30th received September 29, 1915; buried in Bucquoy Road, British cemetery, South of Arras.  
There's a lonely grave far across the sea,  
Where lies my dear husband, no more on earth I'll see;  
My heart is sad and weary, as lonely here I sit,  
But I am proud of my dear hero, who volunteered and did his bit.  
Gone is the one I loved so dear,  
Silent the voice I loved to hear,  
Too far away for sight or speech,  
But not too far for my thought to reach.  
The happy days we once enjoyed,  
How sweet their memory still—  
But death has made a loneliness  
This world can never fill.  
Time may heal the broken-hearted,  
Time may make the wound less sore,  
But it will never still the longing,  
For my loved one gone before.  
Had he asked me, well I know,  
I would cry, "Lord spare this blow!"  
Yes, with streaming tears would say,  
"Lord, I love him, let him stay."  
Not a day dawns, not one hour passes  
But what I am with you in thought, dear,  
But God link the broken chain  
Closer when we meet again.  
Sally missed by his wife (nee Miss Margaret Shea) Mrs. Robert E. McLean, and little daughter.  
To Mr. Laird Binns and Mr. Wm. Warrington:  
Dear Laird and Billy—We, your friends and neighbors have met together to extend a hand of hearty welcome to two of our courageous young heroes who have safely returned from their noble work of "Chasing the Hun."  
These boys, we are proud to relate, enlisted with their home battalion (147th) and to our great joy, have returned without a scratch, although Laird at one time was slightly wounded, but feels no after-effects.  
Many letters and boxes were sent to "No Man's Land" and with each went a prayer for a safe return. It is now we realize the fruits of such prayers and feel thankful as well as proud, that you have returned home practically as well as when we bid you farewell.  
We are not only glad to welcome Laird home again, but also to know that through the smoke and din of battle he has been able to carry safely to us his chum, "Billy," in whom so many of us have become very deeply interested.  
We, therefore, take this opportunity to show you that we appreciate beyond measure the sacrifices you have made for the liberty of our homeland, and ask you to accept this sum of money, which carries with it a sincere wish that you may long be spared to enjoy the fruits of the great victory for which you have so

**Ptes. BINNS and WARRINGTON.**

**PRESENTATION**  
On Thursday evening, April 3rd, the neighbors and friends of Edgar Gibson, Preston, Beattie and Will Davis gathered at the home of Mr. William Alex, Orange Valley, to extend a welcome home and spend a social evening when the following address and presentation was given:  
Canadian Soldiers.—We, a few of your friends, have met here this evening for the purpose of letting you know and realize the position you occupy in our hearts and minds.  
When the brutal Hun threatened to crush and destroy our King, our country, our Flag and our homes, you unsolicitedly offered your services in defence of our freedom, our liberty and our laws, principles that are held sacred by every true Briton; principles that were given to us, sustained with the blood of our forefathers, who sacrificed their lives that their posterity might be free. You have fought and suffered for these principles on the fields of Flanders, you have done your bit, you have proved yourself a man. We are proud of you, we delight to honor you. These words when truthfully spoken is the greatest tribute that man can pay to man.  
Now we ask you to accept this Military Ebony Set as a small token of our esteem and respect for you, and we pray that since Freedom and prosperity may reign in our country hereafter all down through the ages to come.  
Signed on behalf of Orange Valley friends, D. J. Alcox, W. G. Cockburn, Alfred Tolton.

**THE TARIFF QUESTION**  
It is evident that the political situation is rapidly prepared for a great battle. The Western agricultural areas are unequivocally demanding the removal of the tariff which manufacturing East is vigorously urging the retention of an ad valorem tariff which will enable the manufacturer to not only protect his product but to provide enough revenue from to expand and develop his plant.  
The result of this controversy
