PRICEVILLE

As was mentioned in last week's issue, the funeral of the late Neil Mc- last. The funeral services were con- homes here. Cannel, Esq., took place on April 10 from his residence in Durham to the new public cemetery here. The family pastor, Rev. Mr. Whaley, conducted service at the residence and also at the grave. Deceased was a member of Durham Masonic Lodge and six of the brethren acted as pallbearers A large number from Durham Lodge and also a number from Flesherton Lodge were in attendance and the ritualistic service was conducted in an almost perfect and very impressive manner. Neil was born on the home farm S. West of Priceville 57 years ago and afterwards became a successful and well-to-do farmer. He was for a number of years ruling Elder in the Presbyterian Church here. About 15 years ago he sold the farm and lived retired in Durham: In 1908 he was nominated as Liberal candidate for Ontario Legislature but failed to be elected. In later years he became the victim of throat trouble which seemed incurable and now a wife is left to mourn, also four sisters, Mrs. N. McMillan, Proton; Mrs. N. McLean, Montana; Mrs. McLeod, Collingwood, and Mrs. McQueen, Stayner.

On Thursday, April 10th, Mr. Alf. Hincks passed away in his 69th year. He had been troubled for a few years with tumor-like growths on the body and had several operations, which only gave temporary results. Mr. Hincks was born in England and after coming to Canada lived for a time in Egremont township and when a young man he would chop ten acres of the farmers who were clearing their land in Egremont and Proton. Mrs. John Armstrong. Thirty-six years ago he bought the Boaks farm, S.E. Glenelg and by industry and good management he accumulated considerable money and several men who have used his money have told us lately that they writing. always found him O.K. in all financial transactions. "Oh, You Do Look Strong and Well'

ND why shouldn't I ?"

"You always wrote about how well you were, but we never thought you would be so hearty-looking as you are after all the hardships of camp' and trench life."

Oh, we had our share of hardships, all right, but except on rare occasions we hed plenty of good, wholesome food and lots of fresh air and exercise. That is what makes a person strong and well. But I don't think I have it much over you. What have you been doing to look so hearty ?"

"Didn't I tell you I was using Dr. Chase's Nerve Food ?"

"You don't mean to say that has made such a difference. You were so thin and pale when I went away."

"Yes, it certainly has, and ofter you went away I had a regular break-down, and was in a bad state for some month."

I had nervous h thes, could not sleep, and grew down-ll ted and discouraged. Mother got after the to try the Nervo Food, and I am sol d I did, for I did want to be well to welce you home."

I'lt is a joy the to find you so well. And now that we such a good start surely we can less well and enjoy life. My experience ov seas has caused me to place a greater where on life and health than I ever did fore, and your experience with Dr. Cose's Nerve Food convinces me that you women folks need not be pale and weak and nervous if you will but use it when the feel tired out and run
