How Can I Save—With Profit? Many wage-earners are asking themselves this question.

They do not want to put a quarter in the bank at a time, and before they know it, it is gone for trifles.

The Government has provided a simple plan to enable you to save that quarter in such a way that it will earn you more money.

Twenty-five cents buys a Thrift Stamp. Sixteen Thrift Stamps become a War Savings Stamp, for which the Government will pay you \$5.00 in 1924.

"I Am So Afraid it is My Heart"

VERY many people live in constant dread of heart trouble when the heart is in no way diseased. There is perhaps no organ in the human system which is worked so hard and yet the heart seldom goes wrong so long as it is supplied with plenty of rich, red blood.

Dr. Chase's Nerve Food... overcome this condition by the use of Dr. Chase's Nerve Food... enrich the blood and build up the exhausted nerves.

GRAY DORT The Crowning Virtue... EXPERIENCED motorists determine a car's value by the service it renders. To them, this is the paramount virtue.
