MINISTER INDUCTED

Last Wednesday marked another nilestone in the progress of the Presbyterian church at Temple Hill, when Rev. John Lennox was inducted into he pastorate, in succession to Rev. W. M. Lee, whose resignation was accepted last April when he received a call to another field. A very large congregation was present to welcome he new Minister. Rev. P. T. Pilkey. pastor of Knox church. Owen Sound, presided and conducted the ceremony of induction. The induction sermon was preached by Rev. Mr. Robins, of Walters Falls; Rev. Mr. Barbour, of Meaford, deliverd the address to the minister, and Rev. J. B. Fraser, Owen Sound, Clerk of the Presbytery, addressed the congregation. The congregation was under the charge of Thurburn-Conn. interim moderator

Rev. Mr. Lennox is a native of Scotand, where he was educated and has been for some time in Western Canada He is a man of strong and active personality, and has made an impression that augurs well for the success of the congregation during orate. His son, who only recently returned after three years overseas, was present at the induction. It may be mentioned that he also is studying for the ministry.

GARDEN PARTY A garden party was held on the church lawn the following evening when fully four hundred people joined in the festivities of the occasion, A keenly contested game of football between Walters Falls and Goring

was won by the latter. The concert at night was a decided success. Misses Anna Jackson and Ella Perkins rendered two duets with Miss Ina Smith as accompanist, in a very creditable manner. The major portion of the musical program was furnished by the Meaford mail quartette. Rev. Thurburn-Conn delivered a strong and much appreciated ad-Rev. Lennox, the new pastor

GET THE NEWS IN THE PAPER.

yesterday a perfectly nice lady called up and with tears in her voice, reproved us for not mentioning the fact that she had a friend visiting her last week. We told her that she had not let us know that she had a visitor. Then she said: "Well you should have known. I thought you were running a newspaper!"Wouldn't that rattle your slats? Some people think the editor ought to be a cross between Argus and Anna Eve Fay. They seem to think that our five senses are augmented by a sixth that lets us know everything till happens even if we see, hear, feel, taste or smell it not. Dear lady, newspapermen are only human, or at least almost human, If you have a friend visiting you, if you are going away or have returned from a visit out of town, if Johnnie falls and breaks his arm, if your husband chops his too ed instruments instead of a stick of wood, if any ing. Also the pathing happens to make you glad or never fails of sad, happy or mad, call us up. Tell. us about it. That's the way to get it n the paper.

Patriotism **Profit**

It is patriotic to buy War Savings Stamps because Canada must have money for reconstruction

But it is also profitable to buy War Savings Stamps because you are in sting in Government Bonds yielding over 41/2%.

You don't need to be a capitalist. You can start with 25 cents. Buy a Thrift. Stamp for a quarter. When you have sixteen of them, exchange them for a War Savings Stamp, and you will have laid the foundation of a solid invest-ment with your odd savings.

You can add to this investment as often as you save \$4.00, and in 1924 the Government will pay \$5.00 for every War Savings Stamp you buy now for \$4.00 odd. This is the biggest opportunity ever af-
