"The money once a week to clean and preserve is for the heathen."

THE CAUSE OF SICKNESS

Apart from accident or illness due to infection almost all ill-lealth arises from one or two reasons. The great mistake that people make is in not realizing that both of these have the same cause at the roct of them, name-lyspoor and hiproper blood. Either bloodlessness or some trouble of the for almost every atlment, If you are pale, suffer from headachds, or breathlessness, with-palpitation of the heart, poor appetite had weak aligestion, the cause is almost always bloodlessness. 1 you have nervous heardches, neur algia, sciatica and other nerve pains, tesult of poor blood, so that the two anything!" chief causes of illness are one and the

This accounts for the great number of people, once in indifferent health, pale, nervous and dyspeptic, who have been made well and hearty by Dr. Williams' Pink Pills; for no other medicine ever discovered is so valuable for increasing the supply of rich red blood and giving strength to worn cut nerves. Men and women alike greatly benefit from a course of the splendid blood builder and nerve tonic. If your dealer does not keep these pills you can get them by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

TREES 2,500 YEARS OLD. Lebanon Cedars Were

When Christ Was Born.

The famous cedars of Lebanon, tra dition says, were planted by God at the creation of the world and that they will endure until the last day. That Hitherto almost the only substance there was a great grove of cedars on Lebanon in the days of King Solomon possible to use for vessels in the laboratory where high heat is employed there can be no doubt, as it was from them that he obtained the wood for has been platinum, which has become building the temple.

enormously expensive. But utensils At the present day the grove conof this costly metal are now being reains_389 trees, of which only fifteen cheaper ones of quartz. It is practicare of large size.
