beravement by the death of her daughter, Mrs. Birdy, at Silver Creek, N. J. Two children are left. Mrs. Alf. Harrison here attended the funeral.

The news of the sudden death on August 2nd of Mr. A. R. Favcett, Editor of the Burks Falls Arrow, was a great shock to his relatives and old friends here. Mr. Favcett, who was a successful newspaperman; founded and conducted The Advance here for several years. His brother-in-law and sister, Mr. and Mrs. Henry Down, of this place, went to Burks Falls to attend the funeral. Mrs. Down has the sympathy of many friends here in her sudden bereavement.

Mr. Francis Thompson, of Port Law, met with a heavy loss on Sunday afternoon, August 3rd, when his large barn was destroyed by fire, the origin of which is a mystery. This season's hay and fall wheat together with a horse in the stable were lost. The building was insured, but the loss is heavy and Mr. Thompson's neighbors and friends sympathize with him in his misfortune.

The news of the sudden death recently of two well known Methodist ministers in the West, was deeply regretted by their numerous relatives and friends here. Rev. R. H. Letch, son of the late Mr. Thos. Letch, of this place, and pastor recently of the Metropolitan church, Edmonton, died after an operation which he was unable to overcome. The death of a son a short time ago was very trying on him. He was 67 years of age and survived by his wife and two sons.

—Rev. A. N. Miller, cousin of the writer who he visited two years ago died suddenly with heart failure at his home in Vancouver, aged 59 yrs. Mr. Miller went to B. C. a Missionary in 1885, and steadily rose in the esteem of his brethren until elected President of the Conference two months ago. Two sons were in the war one of whom lost his life, bringing deep sorrow to his parents. He has his widow, three sons and two daughters survive.

Miss Hulso, formerly of the High School staff here, has been engaged for Milton School.

Born—At Flesherton, on August 3, to Mr. and Mrs. John Thistlethwaite, a daughter.

Golden Wedding
Mr. and Mrs. Noble Lawrence, old residents of Flesherton, living in Alberta, recently celebrated their golden wedding, interestingly reported in their home paper as follows:—
"An incident worthy of note in the social life of Vulcan is the celebration of the golden wedding of Mr. and Mrs. Noble Lawrence, which took place at their home in Vulcan on July 22nd. Guests for the most part were immediate friends of the family, together with the almost complete circle of children and grandchildren. Those from afar came from Galt, Ont., Detroit, Calgary, Nanton and Rowley. It was at Flesherton, Ont., fifty years ago that Noble Lawrence and Margaret Rutledge were married by Rev. Josias Green. Of the issue of the marriage there were four boys and five girls, one of whom (a girl) passed away. Of the boys, Edward, William and Leslie were present. Thomas, of Chilliwack, B. C., being unable to come. All the girls were present, viz: Mrs. Annie Patton, of Calgary; Mrs. Ella Oliver, of Galt, Ont.; Mrs. Beatrice Burnett, of Rowley, Alta., and Miss Eva, of Vulcan. The presence of most of the grandchildren helped to liven the occasion, some of whom were christened at the celebration. Mr. and Mrs. Lawrence were the earliest of the homesteaders in the district, coming here some 15

years ago. The old homestead is on the Little Bow, and the Post Office is named after them. Their home was the centre of the settlement's social and religious life, and many pleasant recollections were recalled at the festivities. The good wishes for the esteemed and honored hosts were evident in the many costly and beautiful gifts bestowed. The Advocate joins in with the friends and acquaintances of Vulcan in wishing them many more happy returns of the Wedding Anniversary." We, the congratulatory couple.

THERE IS ONLY ONE GENUINE ASPIRIN
Only Tablets with "Bayer Cross" are Aspirin—No others!

If you don't see the "Bayer Cross" on the tablets, refuse them—they are not Aspirin at all.
Now druggists gladly will give you the genuine "Bayer Tablets of Aspirin" because genuine Aspirin now is made by Canadians and owned by a Canadian Company.
There is not a cent's worth of German interest in Aspirin, all rights being purchased from the U. S. Government.
During the war, acid imitations were sold as Aspirin in pill boxes and various other containers. But now you can get genuine Aspirin, plainly stamped with the safety "Bayer Cross." Aspirin proved safe by millions for Headache, Toothache, Earache, Rheumatism, Lumbago, Colds, Neuritis, and Pain generally. Handy tin boxes of 12 tablets—also larger "Bayer" packages.
Aspirin is the trade mark (registered in Canada), of Bayer Manufacture of Monacoeleidester of Salicylicacid.

To Prevent Appendicitis
Here is the Experience of a Man Who Escaped the Surgeon's Knife.

You hear almost daily of some one going to the hospital for an operation for appendicitis. Do you know of any one who was ever really well afterwards?
Besides the risk and expense of the operation, the results are usually disappointing. For this reason alone it is well worth while to try to avoid appendicitis by keeping the digestive system in a healthful condition.
Many have written us about Dr. Chase's Kidney-Liver Pills as a preventive and cure for appendicitis. This letter is a fair sample of the cases described.
Mr. John Poole, R. R. No. 5, Dresden, Ont., writes: "I was taken very sick with severe pains and cramps in my stomach. I called in a doctor, who said I had appendicitis in the worst form, and my case was very serious. He gave me medicine, which relieved me a little, but I was far from cured. He said I would have to go through an operation before I would be well, but this I did not wish to do. One day he was looking through the catalogue of Chase's Kidney-Liver Pills, and recommended for appendicitis if taken in time, so I bought a box and took them regularly for two years, and now I am perfectly cured. I can do all kind of hard work without any trouble. I would not be without Dr. Chase's Kidney-Liver Pills in my house under any consideration, for I can truly say that they will do just what is claimed of them."
"Perhaps the one greatest rule of health is that which calls for daily movement of the bowels. With this program in effect there is no danger from appendicitis or similar dangerous diseases."

LIFT OFF CORNS!
Apply few drops then lift sore, touchy corns off with fingers

Doesn't hurt a bit! Drop a little Frezzone on an aching corn, instantly the corn slips burning, then you lift it right out! Yes, magic!
A tiny bottle of Frezzone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. Frezzone is the sensational discovery of a Cincinnati genius. It is wonderful.
