PLAY FAIR
DON'T JUMP TO CONCLUSIONS.
What is the difference between remedy and cure? Any disease which is liable to recur cannot be indefinitely "cured." You may dispel the germs from the system—but that is simply remedying it.
A man suffers for years with Rheumatism. After trying numerous treatments without success, he takes Templeton's Rheumatic Capsules, and is restored to perfect health again.
A year or so later Rheumatic symptoms appear again. "What does he immediately conclude? That it is his old trouble returned; that the medicine he took had only a temporary effect; that he will never again be well. This impression is the one we wish to eradicate—because it is entirely false. Whenever Templeton's Rheumatic Capsules are given a fair trial they remedy Rheumatism, Sciatica, Lumbago, Neuritis, Neuralgia, or any of their kindred diseases.
T.R.C.'s won't make you immune from the above diseases. They will remedy them and drive them from your system, but whenever you feel an attack coming on, start using T.R.C.'s again.
Ask your Druggist or write us for our new booklet: It is interesting and costs you nothing (Templeton, 142 King West, Toronto) mail T.R.C.'s anywhere on receipt of \$1.00. Sole Agent for Markdale, J. H. McCann.

EXPANDING ENTERPRISE
"Return & Best" is the name of the new firm now conducting "The Markdale Garage." Although it is but six years since Mr. T. H. Return came to Markdale and opened up a garage business in the old Marsh Hall, the business has grown to be one of considerable importance. Mr. Return is a man possible of himself, God as for himself, God the public and the expansion of his business has always been his aim. Less than a year ago the business underwent a very important change in location. From the old Marsh Hall to the new building on the corner of Main and Toronto streets, this change, Mr. Return has rapidly and happily adapted himself to the new location. He has never been his public a service "worth while" and even better than in the past he has taken into his business the person of John T. Best, of Saugeen Junction. The latter's two sons will also work in the interests of the business. They come to Markdale highly recommended and will be a valuable asset to our town as well as to this ever expanding enterprise. The Standard joins in extending a hearty welcome to Mr. Best and family.

The Legacy of War

Canada's Dead and Missing	65,038
Canada's Wounded	149,709
Canada's National Debt	\$1,670,263,691
Soldiers' Annual Pensions	\$35,000,000

THE WORLD is staggering with debt. Some of the leading countries are verging on bankruptcy.

Five years ago Canada had never dreamed of the financial burden she carries to-day.

Canada entered the Great War with a National Debt of \$337,000,000, or \$42 per head of population. Canada emerges with a National Debt to date of \$1,670,263,691, which is expected to approximate \$2,000,000,000 by the end of the fiscal year—or about \$250 for every man, woman and child in the country. Interest charges alone will eat up nearly one-half our present national revenue, and soldiers' pensions will have to be provided as well.

Can Ontario Afford to Spend \$36,000,000 a Year on Booze?

PREVIOUS to the Ontario Temperance Act the drink bill of the Province approximated \$36,000,000 per year, an amount about equal to Ontario's share of the Annual interest on our National Debt. In the face of our financial responsibilities alone, is this the time to repeal the Ontario Temperance Act or relax a single one of its restrictions upon waste of money and man power? To every question on the Referendum Ballot vote—

"No!"—Four Times—"No!"

No Repeat—No Government beer shops—No intoxicating beer in Standard Hotel bars—No Government beer and whiskey shops. Be sure you are on the voters' list. Be sure you mark your ballot four times—X—X—X—X—in the column headed No.
