A MOTHER'S TRIALS

Care of Home and Children Often Causes a Breakdown.

The woman at home, deep in household duties and the cares of motherhood, needs occasional help to keep her in good health. The demands upon a mother's health are many and severe. Her own health trials and her children's welfare exact heavy toils, while hurried meals, broken rest America on October 12th, 1492, and children will be taught that Airship en her constitution. No wonder that the woman at home is often indisposed through weakness, headaches, backaches and nervousness. Too many women have grown to accept these across the four lines of text for the visitations as a part of the lot of next measure or part of a measure. come and strike matches on your motherhood. But many and varied as her health troubles are, the cause is simple and the cure at hand. When well, it is the woman's good blood that keeps her well: when ill she must that there is very little seasonal p.m. in December to 7.40 in June and make her blood rich to renew her health. The nursing mother more set for this latitude (approximately 9 compared with the fifty minutes varia- than any other woman in the world needs rich blood and plenty of it. There is one always unfailing way to get this good blood so necessary to perfect health, and that is through the use of Dr. Williams' Pink Pills. These pills make new blood abundantly, and through their use thousands of weak, ailing wives and mothers have been made bright, cheerful and strong. If you are ailing, easily tired, or depressed, it is a duty you owe yourself and your family to give Dr. Williams' Pink Pills a fair trial. What this medicine has done for others it will

surely do for you.
