FLESHERTON

(Special to The Standard.)

The soldiers reception here on Friday last was somewhat marred by showery weather, but notwithstanding the unfavorable conditions a fair sized crowd came to greet the veterans and a good measure of success was met with. The programme was carried out on the Agricultural grounds where the speaking took place and a baseball match was played between Owen Sound and a local team, in which the latter won easily. At the presentation of medals Reeve McKenzie presided and excellent addresses were given by County Warden McQuaker, of Owen Sound; Hon. Dr. Jamieson, of Durham; P. S. Inspector Hunt, of Meaford, and Lieut.-Col. Carmichael, of Collingwood. Nearly all of the miners or more from Flesherton and Artemesia were present and were presented by the Municipal Councils of the village and township with handsome gold medals inscribed on them "Great War 1914-1918—Duty Nobly Done" and on the back the name of the veteran receiving. An appropriate address was read by Clerk W. J. Bellamy and the medals were presented by Deputy-Reeve Cameron. About twenty-five mothers who lost sons in the war were also presented with an address and each a beautiful gold bar pin set with pearls. Any soldiers or next of kin present or overlooked will be remembered as those present. Swanton Park Highland Band furnished music during the afternoon. The soldiers were entertained by the Council. The Women's Institute served excellent meals in town hall and also put on an entertainment at night in the High School at which the programme was given by Dundalk talent. Reeve Kenzie presided and the Kiltie band again gave a number of airs both before the programme commenced. The net proceeds from meals and entertainment were over $200, which the ladies of the Institute will contribute to the recent purchase of Memorial park. Hon. Dr. Jamieson, in answer to a question in the afternoon, made the pleasing announcement that the Durham Furniture Company would donate to the village all the timber in the Park belonging to the Company.

Marshall—McMullen—A quiet but pretty wedding took place at the home of Mr. and Mrs. Wilson McMullen on Wednesday afternoon, September 17th, when their daughter Mary was married to Mr. Leslie Marshall, of Toronto. Rev. A. McVicar, B. A., pastor of Chalmers Church, Flesherton, conducted the ceremony. The bride, who was unattended, was given away by her father. After the wedding dinner the young couple left for Toronto where they will reside. The bride's travelling gown in which she was married was of navy blue serge with hat to match.

Mrs. Wyvill, an active worker in the Presbyterian Sunday School, is about to move to Markdale. On Monday evening the officers and others of the school assembled at her home and after presenting her and her two children with mementos from the school, spent a pleasant time together.

On passing through to Owen Sound last week the Dundalk Band halted here and favored our citizens with some pleasing music.

The home of Mr. and Mrs. Mark Stewart was the scene of a pleasant reunion of the Stewart and Quigg families on Wednesday of last week when a memorable time was spent. Members were present from Regina, Toronto, Ceylon, Markdale and Flesherton. Mrs. Quigg of this place now, eighty-four, and the only surviving grandparent of the young people present, enjoyed with them the merrymaking on the occasion.

Mr. J. W. Vause has sold his farm on the Durham Road to Mr. W. J. Meads, who has bought for his son returned from overseas. The price, we learn, was $8000.

Mrs. S. Pedlar and Mrs. G. Rutledge, old time friends in Artemesia and neighbors here now, have each passed another birthday, the former on Friday last, and the latter $4 a few days ago. Both are well and quite smart for their years. We wish them many returns of the day.

A pleasant event took place at the home of Mr. and Mrs. John Wilkinson, 4th Line, a few evenings ago, when their son, Charlie, was given a welcome home from overseas by a large company of friends and neighbors who presented him with an address and well filled purse.

Mr. Goldsmith, of the Standard Bank, who possesses a fine tenor voice, gave a splendidly rendered solo in the Methodist church on Sunday evening which was much enjoyed by the congregation.

Mr. George Mitchell was home from Owen Sound over the weekend.

IS ICE-COLD WATER BAD FOR RHEUMATISM?

A SOLDIER SHAMAN'S EXPERIENCE

This story of Wm. Rogers, a seaman in the Mine Sweeping Branch of the Royal Navy, is absolutely true and can be readily verified:

At Niagara Camp, in 1914, Rogers contracted Rheumatism. He was sent to Toronto General Hospital, where for 19 months he was a patient, finally discharged as incurable. In despair he took a friend's advice and tried Templeton's Rheumatic Capsules. The result was astounding—in a short time he was able to pass the stiff examination for the Navy, and became an A.B. in the Mine Sweeping Branch.

For 17½ months he did service in the North Sea. On three occasions he was blown into the sea and remained in the ice-cold water as long as eleven hours at a stretch. Despite these hardships Rogers had no return of his former trouble. Think about it. If Templeton's Rheumatic Capsules did so much for Rogers—will they not do the same for you?

Ask your Druggist or write us for booklet—it is interesting and costs you nothing. Templetons, 142 King St. West, Toronto. Or mail $1.10 anywhere on receipt of price.
