### The System is Poisoned

By Failure of the Liver and Kidneys to Purify the Blood  
Relief Obtained by Use of Dr. Chase's Kidney-Liver Pills.

Too much eating of heavy, highly-seasoned foods and too little outdoor exercise are the most frequent causes. The liver is upset, becomes torpid and inactive; the bowels are constipated, the kidneys are overworked in an effort to get rid of the accumulating poisons and breakdown headache, backache,aching limbs sound a warning note, and when this is not heeded the natural development is rheumatism, lumbago and neural and fatal forms of kidney disease.

To best overcome this condition Dr. Chase worked out in his private practice a special preparation known as Dr. Chase's Kidney-Liver Pills, because of their combined action on these filtering organs. I have found them so successful in awakening the action of the kidneys, liver and bowels, and thereby cleaning the system, that I have had them only taken a couple of boxes when the trouble was all removed."

Mrs. J. Alex. Gordon, Walkerton, Ont. writes: "A few years ago I suffered from kidney and liver trouble, with pains in my back. I had heard of Dr. Chase's Kidney-Liver Pills being good for this, so I commenced taking them. I had only taken a couple of boxes when the trouble was all removed. I feel like a new man, and I have had no more of the trouble. Since then, which has been five years ago, I keep them in hand and use them whenever I feel the need of them."  
Dr. Chase's Kidney-Liver Pills, one of a box, 25 cents a box, all dealers or Edmanston, Baker & Co., Limited, Toronto. Substitutes will only disappoint. Enquire on getting what you ask for.

### HOW YOU CAN TELL GENUINE ASPIRIN

Only Tablets with "Bayer Cross" are Aspirin--No others!

If you don't see the "Bayer Cross" on the tablets, refuse them--they are not Aspirin at all.  
There is only one Aspirin, that marked with the "Bayer Cross" all other tablets are only acid imitations.  
Look for the "Bayer Cross"! Then it is real Aspirin, for which there is no substitute.  
Aspirin is not German but is made in Canada by Canadians, and is owned by a Canadian Company, all rights being purchased from the U. S. Government.  
Genuine "Bayer Tablets of Aspirin" have been proved safe by millions for Pains, Headache, Neuralgia, Colds, Rheumatism, Lumbago, Neuritis, etc.  
Handy tin boxes of 12 tablets--also larger "Bayer" packages, can be had at any drug store.  
Aspirin is the trade mark (registered in Canada) of Bayer Manufacturing of Monrovia, California.
