FLESHERTON

It is a proverb of Cherry Blossom Land that beauty of face and figure depend on womanly health.

What is it that makes our Canadian women often pale, fallow-faced, with dark circles under the eyes, and very often old at forty-five when they should be in their prime?

Women suffer in girlhood from backache, spine-ache and headaches, and as a result diseases of the womanly organs are more common than they are but a physician in active practice could suppose.

FROM CHERRY-BLOSSOM LAND

The Japanese Give Good Example

After long experience in the treatment of women's diseases, Dr. Pierce evolved a vegetable tonic, known as "Flesherton's Heroin Tonic." It can be obtained in almost every drug store in the land, and the ingredients are printed in plain English on the wrapper. Put up in tablets or liquid.

Dr. Pierce of Ingham's Hotel, Buffalo, N. Y., will send a trial size of the tablets for ten cents.

When a woman complains of back-ache, dizziness, or pain when everything looks blue to her eyes—a dragging feeling, with nervousness, she should turn to this "Flesherton's Heroin Tonic." It can be obtained in almost every drug store in the land, and the ingredients are printed in plain English on the wrapper. Put up in tablets or liquid.

It Helps Others Will Help Me

With This Belief Many Thousands Have Learned the Exceptional Value of Dr. Chase's Nerve Food.

You hear people talking about Dr. Chase's Nerve Food. You read about it in the newspapers. You wonder if it would benefit you. And while you are hesitating others are using it to great advantage.

This is the treatment for the restoration of the blood and nerves is so different to most medicines that you may not realize why you can be so certain of benefit from its use.

In order to maintain the vigor of the nervous system an abundance of pure, rich blood is necessary. When the nervous system becomes exhausted and you are easily tired and suffer from headaches, sleeplessness, irritability or indigestion, it is because the blood is failing to supply appropriate nutrition to the nervous system.

By forming new, rich blood, Dr. Chase's Nerve Food naturally and certainly restores the vigor of the nerves. Since it works hand-in-hand with nature, it cannot fail to be of benefit, and there is no reason why it will not help you, as it has the writer of this letter.

Mrs. Stephen G. Thwaites, Box 205, Jordan, Ont., writes: "For about a year I was troubled with nervousness and took doctor's medicine, but it did not seem to relieve me. I could not sleep nor concentrate on anything. I had severe headaches, was tired all the time, and afraid to stay alone. I also tried several nerve medicines, but without any benefit. At last I discovered Dr. Chase's Nerve Food, and found relief in it. I had only taken one box when I began to feel better. I continued using this treatment until my nervous system was restored to perfect health. I think Dr. Chase's Nerve Food is splendid for nervous troubles of any kind, and cannot recommend it too highly. My husband, Roy S. Coffman, Vineland, Ont., states: "This is to certify that I know Mrs. Thwaites' and her statements are correct, and her troubles are cured." Dr. Chase's Nerve Food, 50¢ a box, a full treatment of 6 boxes for \$2.75, at all dealers, or Edman, Sons, Bate & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappoint.
