A really good supphire should ap-pear blue by artifical light as well as daylight; some stines have a trace of black, and some ed, the latter making them resemble methyst, especially by lamplight or aslight.

edded to boiling ca bage destroys any disagreeable odor.

Do you remember those ages, when your character was being formed - how you followed examples, did what other people didyour senior years at school — your start in business? Recall them if you can. You gained a knowledge you will find useful when your own boy starts out.

Give him the right start. Teach him the value of personal appearance and self respect. Tell him how confidence may be gained merely from a clean shave—or, better still, show him and show him in a practical way.

GILLETTE Safety Razor

and make his morning shave come easy. The old time pulling and scraping is a thing of the past. The haphazard element is gone. There is no need for your boy to know anything but the ease and comfort of the Gillette shave. It is the razor of his time—that to which he is entitled-nothing more, nothing less.

Sold at most stores catering to the needs of men.
