Mr. Russell Walker, of the Bank of Toronto staff here, went to the G. & M. Hospital, Owen Sound, last week, to have an operation on his throat.

For an insertion of a notice in connection with any event where an admission fee is charged, The Standard's rate is 10c. per reading line (six words to a line.) Please figure it out, and send in the cash with copy.

Do Hens Pay?—A progressive man near Markdale says his flock averaged more than \$4 per hen (clear profit) in less than twelve months. And yet some say \$1.50 per year is too much for a paper.
Mr. and Mrs. J. R. Dillon have moved into their home on Eliza St., which is undergoing extensive improvement. Mr. and Mrs. John Lee now occupy their house on Main St., recently vacated by Mr. and Mrs. Dillon.
The price of the Christian Guardian goes up to \$2 on December 1st. Renewals sent in to The Standard prior to that date will be accepted at \$1.50. The Guardian is an excellent weekly religious paper, and it is to be greatly improved next month.
If Pays!—One of our business men informed us Monday morning that a \$12 adv. in The Standard was the means of selling for him more than \$2000 worth of goods in less than one year. Don't you believe the \$12 expenditure was a very profitable investment? It will do the same for you.

Read Thompson's adv. page Eight.
L. Col. Carmichael, the successful U. F. O. candidate in Centre Grey was tendered a hearty reception at Meaford last Thursday night by his supporters. The opera house was well-filled by an audience made up largely of farmers and their wives. "They had no use for 'Adam Beck' and now they wish they 'ad'im back'!"
Elmer McNally, who has been a capable and obliging assistant-agent at the C. P. R. station here for the past fifteen months, left Thursday morning last for Toronto, where he has a good position with the Dominion Express Co. Elmer is one of Markdale's best young men, and we very much regret losing him. He will, no doubt, do well wherever he goes. The best wishes of a host of friends accompany him.
