Save your hair! A small bottle of Candarine stops itching scalp.  
Thin, brittle, colorless hair is the evidence of a neglected scalp. There is nothing so destructive to the hair as dandruff. It robs the hair of its moisture, and its very presence is producing a feverish itching of the scalp, which if not removed, causes the hair to fall out. Dandruff is now—any time—will surely save your hair.  
Get a small bottle of Knowlton's hair and lotions. You will find it a little Dan-derine. Save your hair! Try it!

On Friday evening, October 10th, about seventy-five friends and neighbors assembled at the home of Mr. and Mrs. W. J. Sutherland, and presented Mrs. Sutherland with a beautiful mantle clock and Mr. Sutherland with a well-filled purse, accompanied by a very complimentary address.

Although completely taken by surprise, Mr. Sutherland, in a few well-chosen words, on behalf of himself and Mrs. Sutherland, thanked those present for their kind thoughtfulness and asked those present to kindly receive their successors, Mr. and Mrs. Sutherland's farm and will be moving in very soon. PRESENTATION  
On Friday evening, October 10th, about seventy-five friends and neighbors assembled at the home of Mr. and Mrs. W. J. Sutherland, and presented Mrs. Sutherland with a beautiful mantle clock and Mr. Sutherland with a well-filled purse, accompanied by a very complimentary address.

Although completely taken by surprise, Mr. Sutherland, in a few well-chosen words, on behalf of himself and Mrs. Sutherland, thanked those present for their kind thoughtfulness and asked those present to kindly receive their successors, Mr. and Mrs. Sutherland's farm and will be moving in very soon. Much regret is felt on all sides at losing Mr. and Mrs. Sutherland, who have been very popular residents here, and the wish of all is that in their new home near Flesherston, they will soon have many friends.

The young ladies served a bountiful and dainty lunch about midnight.

# All for Canada

## Canada for all

Canadians!  
This is a call to National Service—  
The Victory Loan 1919  
which opens to-day.

YOU are citizens of no mean country.  
Canada is a fair, free land.  
Canada is your country.

Canada—now—has need to borrow from you—Lend:  
Lend without restraint of politics or fine distinctions of creed or party.  
The leaders of the political parties endorse the Loan.  
It is CANADA that asks:  
And why—  
To clean up the last of the War's commitments and expenses;  
To establish beyond all question the capacity and credit of our country;  
To care for the wounded and maimed soldier;  
To finance the bonus of the returned soldier already paid;  
To enable the fruits of Victory to be garnered;  
To ensure the prosperity of you, her citizens.

The guns of war are silent—but they are not yet cool.  
The Victory Loan 1919 is a War Loan.  
Canada's book of war is gloriously written—make this, the closing chapter, a worthy one. The responsibility is yours. LEND!
