First to Give Peace-Time \$1465 GRAY-DORT. F.O.S. CHATHAM WAR TAX EXTRA

Immediately the armistice was signed, Gray-Dort executives began working towards a readjustment of motor car values.

Last fall we were able to put in production on the present Gray-Dort—the first car to offer you a peace-time value.

Overshadowing Other Light Cars. Ordinary light car standards did not satisfy us in building the Gray-Dort.

So we built a bigger and better motor—with 3 1/2-inch bore and 5-inch stroke...

As in the motor, so it is throughout the chassis. A cellular-type radiator and extra big water jackets for cooling...

Convenience has not been sacrificed to sturdiness in the Gray-Dort. The side-curtains open with the doors as in cars costing \$2000 and up...

Features marked with this asterisk are some of the improvements new to Gray-Dort.

Built in Canada by Skilleen.

T. H. REBURN DEALER MARKDALE - ONTARIO

Prices. Gray-Dort DeLuxe. Gray-Dort Standard. Gray-Dort Economy.

Clothed in Beauty. Completing this high-grade body wonderfully good-looking lines do not force the attention...

And then the wonderful "Grill" finish. We have a part of the body which remains in favor for many years.

You will notice, too, the smooth hood with its many long, narrow lines. The smart top, hand-tailored shops. The French pleated skirt. The full sweep of the heavy gunmetal.

At \$1465 the Gray-Dort will fast-sell a car of the year. The has been doubled. Yet there is even of a shortage. We advise you to Gray-Dort dealer now.
