BEST TREATMENT FOR HIGH BLOOD PRESSURE
 High blood pressure does not cure itself. It is a disease, and this is the only way to cure it. The danger of a high blood pressure is that it may lead to a stroke or a heart attack. The best and most satisfactory treatment is Hacking's Head and Nerve Remedy and Hacking's Kidney and Liver Pills. This treatment will reduce the blood pressure by removing the toxins and clearing out the blood vessels. We are firmly convinced that this treatment will give you the relief you need. It is a simple, safe, and effective treatment. Write for a free copy of our booklet "The Danger of High Blood Pressure" and "The Best Treatment for High Blood Pressure".

PRESIDENT BEATTY ON Y. M. C. A. WORK.

In a foreword to an attractive little pamphlet issued by the Railway Y. M. C. A. of Canada, Mr. E. W. Beatty, President of the C.P.R., pays a tribute to the work of this association.
 "The high value of the work," says Mr. Beatty, "of the Young Men's Christian Association in the interests of men and boys has come to be generally and properly recognized, particularly on account of his efforts and accomplishments of behalf of our soldiers during the recent world war.
 "Among the various spheres of the Association's activities not the least valuable is the work of the Railway branches which minister to the intellectual, social, the moral and the physical needs of railway men, irrespective of race or creed.
 "The inception of this work on the

GRAY-DORT

Built in Canada by Skilled Canadian Workers and Canadian Capital.
T. H. REBURN, DEALER, MARKDALE

Canadian Pacific Railway dates back to 1906 when the building at Revelstoke, B.C., was erected, and so well satisfied were the Company's officers with the experiment tried there, that nine additional branch associations have since been established. These provide home surroundings and comforts for men in train service when away from home and to many employees located at outlying points they afford the only home facilities that are available to them.

"It is not only that good meals and clean beds and baths are provided, but the educational advantages, the recreational facilities and the opportunities for social intercourse amidst wholesome surroundings must necessarily contribute to the well-being of the men and benefit the community in which they live, and with which they are employed."
 "The eminently satisfactory results of this work on the Canadian lines in the past for which I express my admiration and appreciation, have, without any effort on the part of the Company's officers and staffs, and with the cordial co-operation of the employees with the assistance of their unions, brought about the future success of the work, and, I feel confident, will be continued to the
