When the Moon Went Down

A Page From the Unwritten History of England's Fight for India Tells How the Valiant Spirit of "the Black Horse Troop" Flamed Highest When Per Multiplied.

By HOMER J. COUNCILO

"I muliously to were tall awars that west same within cover to be watch would be placed but filently with Mann be made In keeping of On plan so for such herdes had and fall step, mles we stalles. Du

DAINTING becomes necessary as your property increases in value, and as property was never so valuable as today there is a greater need than ever for that kind of paint which actually preserves the surface and thus saves the entire house. This spring, to make a feel job of it, use

ENGLISH 65 70% Dure White Lead 100 Fura White Zine 100 Pure Paint

because it combines permanence, covering capacity and economy. If B-H "English Paint" was dearer than it is, it

would still be the most economical the shorter life of other cheaper brands makes them more expensive in the end. It contains the famous Brandram's Genuine B.B.

finely-ground white lead-70%-to which is put 30% of pure zinc-a guaranteed formula that no other paint can boast. To this mixture is added fine turpentine and linseed oil from the B-H mills, which is of a quality in keeping with the other ingredients. When you use B-H Paint you will notice its "body" and brilliance—you will compare the extreme covering capacity with other brands—the permanence you will be able to prove by other exferiors painted with B-H paint years ago.

> Look for the B-H dealer in your tercitory. The B.H Sign hangs outside his store.
