TO THE EDITOR:

Dear Sir:—In a recent issue of local papers as well as some Toronto papers there appeared an item of news re suit of R. J. Orr against the Township of Euphrasia for recovery of 71 cents overcharge of taxes. I might say in passing that it seems to me strange that the Council should have incurred the expense of retaining such a galaxy of legal lights to defend a suit of 71 cents. Surely it would have been good business for the Council to have looked into the matter when it was first brought to their notice.

When these methods fail Hacking's Kidney and Liver Pills are recommended. They are purely vegetable and do not gripe or irritate; many people have found them excellent for Headache, Dizziness, Bad Breath, Coated Tongue, Loss of Appetite, Indigestion, Gas on the Stomach, and many other evils that are due to Constipation.

Where there is Extreme Nervousness and you are "all run down" and "tire easily," it would be just as well to take Hacking's Heart and Nerve Remedy along with these Pills. This combination goes well together and restores the good health of your younger days. The Heart action becomes normal, the Nerves take on new life, Power and Vigor and the "human machine" becomes full of "pop" and vitality.

If you are tired of sickness and have lost the Power, Ability and Nerve Force to do your daily work and your Nerves are all Shattered just give these two Remedies a trial and we will positively guarantee beneficial results. Go to your dealer to-day and ask for Hacking's, and do not take any other kind for if you do you will be fooled right at the start and you will not get the results that we guarantee. Hacking's Remedies, Sold, Stephen's Drug Store, Markdale

What Prominent Ontario Women Say

Tilsonburg, Ont.—"I found Dr. Pierce's Favorite Prescription very beneficial during my pregnancy. I felt quite poorly, was nauseated and sick, could not eat anything and I was extremely nervous and weak. I took Favorite Prescription and it soon stopped the nausea, my appetite returned and I regained my strength and I was soon feeling fine and strong. My baby was strong and healthy and I was always well. I consider Favorite Prescription a great help to the expectant mother and am glad to recommend it."—**MRS. AMOS MILLS, Box 238.**

A HAMILTON WITNESS

Hamilton, Ont.—"A few months ago I was stricken down and was confined to bed for ten days. My strength all left me. It was my first illness since a child. I lost five pounds and felt awfully weak afterward. I could hardly do my work. I was advised to try Dr. Pierce's Favorite Prescription in tablet form. I tried a couple of bottles and before I knew it, I was well and strong and had gained 9 1/2 pounds. I can recommend Dr. Pierce's Favorite Prescription to build one up."—**MRS. E. MARTIN, 397 Dundurn St.**

After suffering pain, feeling nervous, dizzy, weak and dragged down by weaknesses of her sex—with eyes sunken, black circles and pale cheeks—such a woman is quickly restored to health by the Favorite Prescription of Dr. Pierce. Changed, too, in looks, for after taking Dr. Pierce's Favorite Prescription the skin becomes clear, the eyes brighter, the cheeks plump. It is purely vegetable, contains no alcohol.

There was good ground for having an audit or investigation of some sort. I might go into the findings of the audit to some extent but as that would take considerable space and I am already asking for a liberal share I will reserve that for possibly a future occasion.

Yours truly,
J. A. LOUGHEED.

Could Not Sleep

Mr. Ernest Clark, Police Officer, 338 King St., Kingston, Ont., writes:

"For three years I suffered from nervousness and sleeplessness. I believe my condition was due to indigestion and frequent headaches, neuralgic pains and twitching of nerves and muscles. I had indigestion was short of breath and easily tired. I commenced a treatment of Dr. Chase's Nerve Food, and seven boxes of this medicine cured me of all my symptoms. I am now feeling one hundred per cent better than I was, and have to thank Dr. Chase's Nerve Food for the good health I am now enjoying."

(Canadian Press Despatch)

Ottawa, May 25th.—The Military Department has issued a statement emphasizing the reasons why it would be practically impossible to exhum the bodies of Canadian soldiers who had been buried in France in order that they might be brought to Canada for burial. The statement says that an advertisement recently appearing in Toronto newspapers gives the impression that it is possible to exhum the bodies of these soldiers and bring them home for reburial in Canada. The statement also says that the bodies of these soldiers are buried in France in order that they may be returned to Canada for reburial in Canada.
