The management are to be congratulated upon the success of their untiring effort. Markdale Band was on hand early and enlivened the proceedings with a good supply of music throughout the day, which was observed as a holiday by the business places and everybody was out bent on pleasure. In the forenoon the sports at the pond created lots of fun as did also the Callichumpian show in the parade which followed. Tillsonburg, Ont .- "I found Dr. Pierce's Pavorite Prescription an excellent medicine for the ailments of women. I had become ery weak and nervous. I was just miserable when I began taking the 'Favorite Prescription' and it proved most beneficial. It so completely restored me to health that I have never had any return of this ailment. I do advise the use of 'Favorite Prescription' by women who suffer with womanly troub-le."—MRS. GEO. WALKER, P. O. Box

Dr. Pierce's Favorite Prescription is made of lady's slipper root, black cohosh root, unicorn root, blue cohosh root and Oregon grape root. Dr. Pierce knew. when he first made this standard medicine, that whiskey and morphine were injurious, and so he has always kept them out of his remedies. Women who take this standard remedy know that in Dr. Pierce's Favorite Prescription they are getting a safe woman's tonic so good that druggists everywhere sell it, in liquid or tablet form.
