

LONDONDERRY ENJOYS FEELING OF SECURITY AFTER TURBULENT WEEK

Only Three Shots Disturbed. Calm of Sunday and They Were Discharged by Patrols—Jail at Sligo Broken Open and Sinn Fein Released.

Londonderry, June 27.—Only three shots disturbed the Sabbath calm of Derry today. These were discharged by military patrols applying the curfew order. In the hours of darkness armored cars rumbled over the paved streets to assist the infantry, while cyclists also scoured the outlying areas. Two men were arrested.

Yesterday the feeling of security, after a week of terror, was such that tiny children clambered unchecked over the soldiers' sandbag barricades, and peeped down the barrels of their Lewis guns, while the gunners smoked, sprawling at full length, in an atmosphere of relaxation.

In the Castle Bridge area several Union Jacks are floating undisputed, but there is an uneasy impression that only a display of armed force produced the cessation of hostilities, and that they will be renewed if and when the soldiers are withdrawn. But each day that peace continues should assist in the formation of that spirit of amity which the Citizens' Conciliation Committee is urging upon all sections to foster. Appeals are being published and broadcast by the Citizens' Committee for work to be resumed.

Unfortunately, some local labor disputes are complicating the question. All public houses are to be closed between 4 p.m. and 10 a.m. until including July 8.

In all churches this morning the outbreak was roundly condemned, and prayers were asked for the victims. The delivery of letters is promised tomorrow. The only method of obtaining mail so far has been the primitive one of waiting in a crowd on the post-office steps while the postman calls out the names and addresses.

Sligo, Ireland, June 27.—A raid carried out yesterday on the Sligo Jail had as its object the liberation of Frank Carthy, member of the newly-elected Sinn Fein Town Council, who had been held, according to the Sinn Feiners, on the charge of having given false evidence regarding a raid for arms.

The party numbered about 100. The gate of the jail was forced, as well as the inner doors, and the single night watchman was compelled to hand over his keys. The raiders went straight to Carthy's cell and took him away with them in motor cars.

denances of their appearance in threatening numbers.

In the amendments to the Soldier Settlement Act adopted by the House of Commons at Ottawa is a clause declaring that nurses who were resident in Canada before the war and who served overseas shall be eligible to qualify for land settlement.

The latest development of the Vermilion Agricultural Society is the inauguration of an annual plowing match, the first of which was held on June 16. Its object is to inculcate and develop a spirit of pride. Better plowing means better crops and annual competitions have had a material effect in vastly improved working of the land besides setting up a standard which the young plowman endeavors to attain.

Canadian Notes.

About ten thousand acres of surrendered Dunkleberg lands in the vicinity of Kamusack, Sask., were disposed of by ballot to soldier settlers under the Federal Soldier Settlement Board regulations.

Five new agricultural districts have been created in the province of Quebec for the advancement and further development of modern farming. These districts are supplied with agricultural experts who give advice on all branches of the industry and encourage up-to-date farming methods.

In anticipation of a possible outbreak of grasshoppers in the province of Manitoba, school children in the districts threatened were taught to identify the grasshoppers of the different varieties and to recognize their
