SAVED A LIFE. Elmina, Ont. "I have a very kind feeling for Dr. Pierce's Favorite Prescription for it once saved my mother's life. When going through middle age her health failed very fast; she suffered with pain in her head and backache, in fact, she had pains all through her body. She lost weight, was very nervous, would become dizzy and at times faint and fall wherever she chanced to be. This necessitated our watching her all the time. We dared not leave her alone. She was as miserable as one could be and she was recommended to her. She took all bottles and was completely restored to good health."—MRS. B. E. UPTON, GROVE, Box 223.
