Smith offer. Telephone Baer not to out over the smooth field. There was a look of reverence on Mother's face doing her beasework at sixty-nine? Cares began to drop from his shoulders as he said the heard her say: "Son, there is no life that car compare with life on the farm. I believe God intended make the soil yield them a living. He turned to the path through the woods that led to mome's back door. He was fat and out of, wind. He won dered if he could wake it.

Well, he was on the way home now:

As he came out of the woods he saw

Well, he was on the way hone now; As he came out of the woods he saw he would get the old folks comfortably the corn field of which Mother had earth to you if you ever herome a city. earth to you if you ever become a city man. I hope you will some day raise a crop of corn like that!"

They were making hay in the north field. What was that affair behind the wagon? A hay loader! It could not then discarded, but the tablecloths be Father on the wagon making the may be used until soiled. The thrifty load? Father was too old for such housekeeper will sometimes cut these Puffing, Peter G., with the memor-

overfed city man, sat down by the

old Northern Spy tree to get enough

wind to continue his journey. Poor old Dad to be out in this awful heat making hay. It was a crime! Well, his son would soon put a stop to that, be secured.

When he reached the orchard he caught a familiar whiff. Mother's cooking! Poor Mother, to be over a hot stove a day se this! He forgot his weight and hurried. He could hear Mother singing. He might have known she would be. It was yes Nearer out cause, would have been filled with making your twin brother for the job."

My God to Thes. He might have known that, too. He reached the side known that, too. He reached the side verandah and it flashed over him that long ago he had heard Mother say how she was going to have her side worked her side. The right home training to the long at your aunt's funeral," said the many verandah some day to have her side.

The right home training to the lob."

"My twin brother for the job."

"My twin brother!" exclaimed to have her side was going to have her side.

"I mean the one I saw watching a ball game yesterday while you were at your aunt's funeral," said the many training to the same had she recalled how often she had said to her made in the child's hear the lob." verandah—some day. It was entirely across the south end of the house and all screened in. The oak tree shaded it in the morning and the elm and maple in the afternoon. The trumpet vine, which was no doubt a century old, covered it the entire length. A snowy cloth was sproad over an ample table at one end of the verandah; at the other end was a table which held magazines, books and papers. Peter wondered if Mother's much worn humbed volume of Tennyson would be lying with her Bible. And the same did work basket he had kept full of
