**FOUR KILLED, SEVEN INJURED IN  
GRAND TRUNK WRECK AT TORONTO**

Freight Train Crashed Into Six Derailed Coaches of To-  
ronto-Montreal Express, Which Had Left the  
Tracks Owing to a Split Rail.

A despatch from Toronto says:—  
At least four people were killed and  
seven injured when a westbound  
freight train crashed into the sides of  
the derailed cars of Grand Trunk pas-  
senger train No. 16, bound from To-  
ronto to Montreal, about midnight on  
Thursday night, just at the easterly  
limits of York yards. One of the  
killed was Nathaniel Brown, Pullman  
car porter, of Montreal.

Passenger No. 16, the Grand  
Trunk's fast Toronto-Montreal ex-  
press, pulled out of the Union Station  
at eleven o'clock Thursday night.  
Most of her passengers were from  
Montreal. Just east of York Station  
the baggage car was de-railed, as the  
result, it is believed, of a split rail.  
This pulled the three day coaches and  
three of the seven Pullmans off the  
rails also.

Almost at the instant a westbound  
freight pounced down the adjoining  
track. The engineer of the freight  
locomotive made frantic efforts to ap-  
ply his brakes, but without success,  
the big compound plowing into the  
wreckage which had been thrown over  
the westbound track.

The three day coaches escaped with-  
out serious damage and so far as is  
known, none of the passengers in  
them were injured. The first Pull-

man, however, was tilted well over  
and the freight locomotive tore the  
entire side out of this car. It was in  
this Pullman that most of the victims  
were.

The second and third sleepers were  
badly damaged, but it is believed no  
one among their passengers was seri-  
ously injured. The following cars  
escaped unscathed.

A hurry call was immediately sent  
to police and railway headquarters  
and doctors, nurses and ambulances  
were rushed to the scene. The dis-  
order prevailing about the wreck was  
indescribable, but as fast as the in-  
jured could be removed from the  
wreckage they were given first aid  
and rushed to various hospitals.

**Identified Killed.**  
NATHANIEL BROWN, Pullman  
car porter, Montreal.

**Identified Injured.**  
W. H. WALLACE, Viking, Alta.,  
head injuries.  
ALFRED SNIDER, St. Jacob's, Ont.,  
back injuries.  
W. M. R. GREGG, Milwaukee, Wis.,  
U.S.A., hand badly crushed.  
GEORGE HARRON, Listowel, back  
injuries.  
GEORGE JOHNSON, 10 Dundas  
Avenue, injured about the head.

**No Conciliation Till  
Reign of Terror Ends**

A despatch from London  
says:—The Irish problem  
again was brought up in the  
House of Commons on Thurs-  
day and the question of con-  
ciliation between the Irish rep-  
resentatives was raised. Premier Lloyd  
George, giving his opinion in  
the matter, declared:

"I have always been con-  
vinced that no policy of con-  
ciliation is possible in Ireland  
until the reign of terror has  
been broken for the very ob-  
vious reason that men in Ire-  
land who would be prepared to  
enter into negotiations at the  
present time are in terror of  
their lives and cannot do so  
freely."

**MOUNTED POLICE  
CAPTURED INDIAN  
Who Had Eluded the Grasp of  
Provincial Police.**

A despatch from Winnipeg says:—  
There is a quite old-time touch to a  
story just given out by the Manitoba  
Provincial Police.  
Louis Houle, an Indian of the Ebb  
and Flow Reserve, was arrested last  
October and sent to the Dauphin  
jail for a series of thefts. He was

**SINN FEINERS START WORK  
IN ENGLAND BY FIRING LIVERPOOL**

Twelve Cotton Warehouses and Several Timber Yards De-  
stroyed—Policemen trying to Interfere Are Fired At.

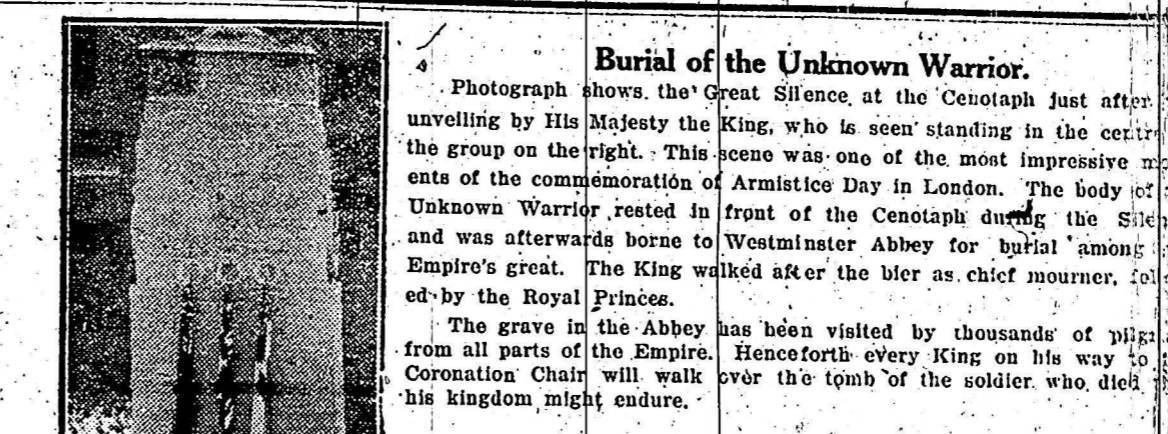

London, Nov. 28.—The firing of  
twelve warehouses and six timber  
yards in Liverpool last night, the  
flames raging until a late hour to-  
day and causing an enormous de-  
struction, means that the Sinn Fein  
has opened its campaign of counter-  
reprisals in England.  
Despite the statements of Sir  
Hamar Greenwood, Chief Secretary  
for Ireland, in the House of Com-  
mons that plots of outrages had been  
discovered in Lancashire, the public  
was thrilled with surprise when the  
Sunday editions announced that whole-  
sale incendiaries had begun, under  
streamer heads reading, "Sinn Fein  
opens war in England."

A fierce red glow hung all night  
long over the north and south ends  
of Liverpool and the suburb of Bootle  
as fire fighters from the city and  
neighboring towns battled desperately  
with a chain of conflagrations.  
The fires were started systemati-  
cally between eight and nine o'clock  
at night, and reports of fresh outbreaks  
of fire reached the fire department  
every few minutes. The arson gangs,  
four or five strong, worked methodi-  
cally with the special implements, with  
which the strongest bolts and locks

**FRANCE DONATES  
MEMORIAL STONE  
Will Adorn Parliament Build-  
ings and Guard Honor Roll.**

A despatch from Ottawa says:—  
Mr. John Pearson, architect of the  
new Parliament Buildings, is prepar-  
ing to go overseas shortly after the  
commencement of the Parliamentary  
session, to secure stone for the in-  
terior of the Memorial Chamber, in  
which is to be placed a volume con-  
taining the names of every soldier  
who belonged to the Canadian army  
during the great war. This stone is  
to be donated by France.

While overseas Mr. Pearson will  
also negotiate for the securing of a  
cannon or chime of bells for the big  
central tower, of which the base has  
now been completed.  
In spite of strikes among interior  
decorators work has greatly advanced  
in both chambers and the buildings  
will have a vastly improved aspect at  
the end of January, when Parliament  
assembles.

Photograph shows the Great Silence at the Cenotaph just after the  
unveiling by His Majesty the King, who is seen standing in the center of  
the group on the right. This scene was one of the most impressive mo-  
ments of the commemoration of Armistice Day in London. The body of the  
Unknown Warrior rested in front of the Cenotaph during the Silence,  
and was afterwards borne to Westminster Abbey for burial among the  
Empire's great. The King walked after the bier as chief mourner, follow-  
ed by the Royal Princes.

The grave in the Abbey has been visited by thousands of pilgrims  
from all parts of the Empire. Henceforth every King on his way to the  
Coronation Chair will walk over the tomb of the soldier who died that  
his kingdom might endure.

**FOUNDER OF SINN  
FEIN ARRESTED  
Plot Suspected to Blow Up  
Westminster.**

A despatch from London, Saturday,  
says:—The Daily Express discusses  
persistent rumors in Ireland that there  
is a Sinn Fein plot to destroy the  
Parliament buildings in London, as  
well as the Irish Office and other  
Government buildings.  
There is no actual proof in official  
circles of such a plot, but the authori-  
ties are erecting barriers in Downing  
Street and other streets leading into  
Whitehall.

Intelligence information was given  
the Associated Press on Friday that  
the arrests of Arthur Griffin, founder  
of the Sinn Fein, and John MacNeill  
and E. J. Duggan, Sinn Fein members  
of Parliament, and others, was the  
prelude of a round-up of a number of  
well-known men either actually or be-  
lieved to be connected with the Irish  
Republican movement. "Some form  
of internment is planned, and it is in-  
tended to hold the lot of them indefi-  
nitely," the correspondent was told.  
The Londonderry employees of the  
Lough Swilly Railway at Donegal  
have decided to seek reinstatement.  
This will be the first breaking away  
from the Irish who do not carry arm-  
ed forces of the Crown or munitions.  
The move was foreshadowed in  
speeches made by the Londonderry  
representatives at last week's Trades  
Congress.

**Half "Reds" Opposing  
Wrangel Were "Yellow"**

A despatch from Paris says:—Ap-  
proximately 100,000 Chinese merce-  
naries remain in the Bolshevik army.  
Practically half the Red forces op-  
posing Gen. Wrangel in the Crimea  
were yellow. The Chinese force was  
augmented by 25,000 Koreans.  
In addition to Chinese troops there  
are many Chinese coolies who have  
been drafted into the Russian "army  
of toil."  
Bolshevik propaganda in Europe  
has continually declared that Russia's  
Red army is a national one, and that  
mercenaries were not used.

**ORDER-IN-COUNCIL  
LIMITS OIL FIELD  
Mackenzie River Petroleum  
Company Seeks Incorporation.**

A despatch from Ottawa says:—  
Consequent on the discovery of great  
oil fields in the neighborhood of the  
Mackenzie River, the Government has  
passed an order-in-council limiting  
the maximum area which may be  
staked to 640 acres.  
Notice is also given that the Mac-  
kenzie River Petroleum Company,  
Ltd., will apply for incorporation at  
the next session of Parliament.

The company seeks all powers in-  
cidental to the production and storage  
of oil and natural gas, the marketing  
and transportation thereof, except by  
rail. In particular, the company will  
seek authority to construct a pipe line  
for the transportation of oil and gas  
from a point near the mouth of the  
Rat River at its junction with the  
Peel, a tributary of the Mackenzie,  
thence to the Alaskan international  
boundary.

**American Relief  
Reaches China**

A despatch from Amoy  
says:—The first American  
relief supplies for the Chi-  
nese famine sufferers, sent from  
Manila civilians and for-  
eigners in the Philippines, reached  
this country town in Western  
China, 200 miles from Nien-  
tsin, on Armistice Day evening.

Forty-eight hours later all  
the 5,342 sacks of grain and  
clothing were stored in the  
Confucian Temple, which the  
Rev. F. J. Griffith obtained as  
a granary.

derstood that most of the filings  
were made on behalf of the

**MORE THAN 1,000  
REBELS ARRESTED**

Prison Camps Throughout Ire-  
land Reported Under Con-  
struction.  
London, Nov. 28.—Despatches from  
Dublin report that during the past  
twenty-four hours police and military  
raids in search of suspected persons  
have been proceeding of an unpre-  
cedented scale, and at least 30 arrests  
have been made. Mount Joy Jail is  
so full that the disused acreage  
near Collinstown, six miles from  
Dublin, has been taken over for the  
purpose of an internment camp.  
The London Evening News prints  
a sensational statement that inter-  
ment camps, to which every known  
member of the "Irish Republican  
Army" will be sent as prisoners of  
war, are being built throughout Ire-  
land, and adds that more than 1,000  
men have been arrested during the  
past seven days.

Other despatches from Dublin to-  
day estimate that the total number  
of arrests made throughout the coun-  
try during the past two days is close  
to 200.  
The round-up of extremists in Ire-  
land continues, and Dublin particu-  
larly is being combed for suspects be-  
lieved to have been caught in the  
chaos drawn around the city after last  
Sunday morning's murders of officers.  
Contrary to experience, the "kill-  
ing" of French soil by high explo-  
sive shells has brought to the sur-  
face fine crop-bearing earth.
