

THE MARKDALE STANDARD

EDITORIAL NOTES

Flesherton village council will take over the public library of that place.

Mr. A. T. Wilgress, at one time publisher of the Clarksburg Reflector, and later King's Printer, has been promoted to the position of Chief Librarian of the Legislature.

The Montreal Star rightly says revolvers should be as difficult to procure as poison. We should say even more so; and there ought to be a general disarmament campaign.

The Horse Still Thrives

Motor power has largely invaded the province of the horse, but the animal still lives, thrives and still has its widespread usefulness. The great war had its devastating influence on the horse and also developed the value of machinery in its place.

It was a pleasure to see Mrs. Eadie (nee Miss Hattie Banks), of Toronto, at Zion on Sunday. She is visiting her mother, Mrs. R. Banks, at present.

Sad indeed was the telegram that came to the relatives of Mr. Thos. Meagher, on Thursday morning announcing his sudden death that day at Windsor, Ont.

Just as the dawn was breaking on Friday morning, one of our widely known, highly respected sons passed over into the Great Beyond.

Mr. Wm. Greenwood, Sr., dead and many throughout the surrounding country side are grieved by the loss of one, who so often friend in need.

The French-Canadian horse breeder has long been in affiliation for record purposes with the National Live Stock Record Board of Ottawa.

The University Situation

In any consideration of the problem of higher education which is to come before the Legislature at its next session, the fact must not be overlooked that Ontario, the banner Province of the Dominion, cannot be content with educational facilities inferior to those of the United States.

Compare educationally the Province of Ontario with the State of Michigan. Michigan's population is about three-quarters of a million larger than Ontario's.

Education is one of the chief bulwarks of civilization. A country's chief asset is the quality of its people. Money spent on education is never wasted.

BY STAFF REPORTERS

TRAVERSTON

The great problem for most farmers this winter is how to raise a few dollars. With hides at 4c, wool 5c, sweet clover at less than half cost, oats and potatoes at mud prices.

We helped to unload a car of fertilizer on Friday and since then, even the old tom cat keeps a respectable distance away.

It was a pleasure to see Mrs. Eadie (nee Miss Hattie Banks), of Toronto, at Zion on Sunday. She is visiting her mother, Mrs. R. Banks, at present.

"My Back Is So Bad"

PAINS in the small of the back, lumbago, rheumatism, pains in the limbs all tell of defective kidneys.

Poisons are being left in the blood which cause pains and aches. The kidneys, liver and bowels must be aroused to action by such treatment as Dr. Chase's Kidney-Liver Pills.

There is no time for delay when the kidneys go wrong, for such developments as hardening of the arteries and Bright's disease are the natural result.
