Synopsis of Preceding Chapters. | woods several miles beyond the city than the Government of this country limits. He lay bound and gagge or the governments of all the world, is offered \$5,000 by Lebrum to kidnap upon a cot in the moldy basement. It is for that power that I speak. Kings and potentiates may well tremble before it. If those men are As Lebran leaves "Silver Damy's" mounted guard over the only exit to seal top, he is observed by Ralph the place. The jurist had been trussed the Web leaves the \$1,000 given him to bind the compact to Stella Lathrop, a country girl he had found staiving in the dity and befriended. Stella is now carming honest wages in a factory and refreses to marry Vegel only stay and refreses to marry Vegel only stay and refrese to his convert to by hiding their fixes behind masks however, fallen a convert to Bolshevism.

While two huskies of Vogel's choosing tremble before it. If those men are sent to prison that power will be loosed in all its wrath to set them free din all its wrath to set them free again. Rhots and bloodshed, governments overthrown, a conflagration that will set the world aftre again may well follow. And upon your head will rest the blame for it all. Are you ready to accept the responsibility?"

"Ready and willing," roared the now angry judge "You preach the by hiding their fixes behind masks when they entered his dangeon to feed. when they entered his dungeon to feed

VAST: IMPORTANCE OF PUBLIC HEALTH

ONE OF LLOYD GEORGE'S AMOUS SPEECHES.

These Truths Apply to Canada as to Other Portions of the British Empire.

of the most outstanding of the addresses delivered by the Rt. Hon. Bavid Lloyd George during the art of the war, was that known "Health Speech" at Manchester, ust, 1918, from which the following extracts have been taken; soon as the unseca hand casts abow of peace on the skies, we' be ready. And to be ready is summarized in one counsel. We must profit by the lessons of the war.

"The first lesson it has tought u, is the lonense importance of mairtaining the solidarity of the nation. The British Empire has rendered a test vice. I humanity, the magnification ell be preater and greater as this a secution reveales into the part. "The next great lesson of the way !! the Stille. If Britain to to be therothly equipped to face any emergacy of either pearly or war, the State that take a more can to a trid telligent interest in the health ess of the people. If the Emto be equal to this trek, the women who make up (n - P) at he equal to those. He established in We have done great think or this vil. We could have accomplish er if this country had because a sone | condition. War, like slightwithe we diness of the course lays 1 thuon. What has been one? I have re e frankly.
