When Grandmother Was a Girl

Hoop skirts were worn by those who first asked the druggist for, and insisted on having, the genuine Golden Medical Discovery put up by Dr. Pierce over 50 years ago. Dress has changed very much since then. But Dr. Pierce's medicines contain the same dependable ingredients. They are standard today just as they were fifty years ago and never contained alcohol.

Dr. Pierce's Golden Medical Discovery for the stomach and blood cannot be surpassed by any tonic and alternative today. When you feel "all out of sorts"—your vitality at a low ebb—the blood becomes surcharged with poisons! The best tonic is called Dr. Pierce's Golden Medical Discovery. Dr. Pierce manufactured this "Discovery" from roots and barks without alcohol—a corrective remedy, the ingredients of which nature put in the fields and forests for keeping us healthy. It puts vim, vigor, vitality into the blood. Try it! All druggists. Send 10c to Dr. Pierce's Sanitarium, Ont. Laboratory for trial pkg.

British and Canadian business men have decided to form a Canadian Chamber of Commerce in London with the object of increasing trade with Canada. That's as it should be. The more we trade with the Mother Country the sooner will our exchange bill with the United States get back to normal.

For Sale—Eggs for hatching, from Tom Barron's Imported White Leghorns, \$2.00 per setting, or I will supply 30 eggs for 3 fully matured pullets, to be taken away November 1st. Come early as the supply is limited. None but good feeders need apply. G. S. Dundas, the tailor, Markdale. pd.97-0

The Women's Institute is still alive here. We give them credit for their perseverance to erect a monument in the Park in memory of our boys who fell in battle. A social was held on behalf of this on Friday and in spite of rain, and wet a good program and good time was enjoyed. On account of bad roads, a chairman was unable to be present, but they were not stuck and will not need to be so long as Mr. Gerald Large acts as capably as on this occasion. The orchestra favored the audience with a number of good selections which must have taken a great deal of practice to prepare so well. The programme was an excellent one from start to finish, and the proceeds amounted to \$35.50.

Mrs. Donaldson, of Toronto, spent the past two weeks with Mrs. Henry Williams.

Mrs. Hogarth, of Dunoon, visited with her sister here the past week. Her father returned with her for a visit.

Your Partner's Widow

Would you care to be in business with her? Would you like her to have a say in formulating the policy of your concern? Isn't it possible that, in the event of the death of your partner, his share in your joint business might pass into the hands of inexperienced, unfriendly or otherwise objectionable persons? Why not guard against such a contingency by means of an Imperial Partnership Policy? That's the surest way to provide funds to pay off the heirs of a deceased partner. Or, suppose your death should occur first—Wouldn't it be much more satisfactory if your interest in the business could be paid to your heirs in cash, so that the money could be placed in some form of investment that would relieve your partner from possible friction with your heirs? Our booklet "Personality in Business" tells how to provide for this contingency. Write for a copy to-day.
