By MERLIN MOORE TAYLOR

Synopsis of Preceding Chapters. | good. That dog that I jest now Louie Vogel, a notorious criminal, throwed out of here has got the goods offered \$5,000 by Lebrun to kidnap on me, and he'll set the bulls on me, Judge Graham, terror of evil-doers. As Lebrun leaves "Silver Danny's" come back. So I'll tell you good-b saloon, he is observed by Ralph here and now. My dreams is all bloy-Charlton of the Department of Just ed up and I can't never have yu like I Charlton of the Department of Just ed up and I can't never nave yu nke I tice who has dubted him "The Gray hoped. Give me jest one kiss to ry hoped. Give me jest one kiss to ry hoped. Give member yu by, girl, before I go."

Lathrop, a country girl he had found attarving in the city and hefriended.

Lathrop in the city and hefriended. Stella is now carning honest wages in go and never see you again." a factory and refuses to marry Vogel unless he gives up his evil ways. She has, however, fallen a convert to Bolshevism. Vogel carries out his pact. Judge Graham lies bound in a shack some miles out of the city. "The Gray Wolf" demands that the Judge should let certain prisoners off with merely a fine. Threats of death for himself and torture for his son have no weight.

Her arms wont around his neck and should his neck and she clung to him tightly.

"No, no, honey. Don't tempt me," its violence. Evidently he was taken aback by the warlike preparations of his tools. "Stay where yu are," yelled Vogel. "If yu come any nearer I'll begin to make their getaway. It means I cut down on my own chances, but brune."

Where arms went around his neck and stop that made the brakes squeal with its violence. Evidently he was taken aback by the warlike preparations of his tools. "Stay where yu are," yelled Vogel. "If yu come any nearer I'll begin to make their getaway. It means I cut down on my own chances, but brune."

Almost in the instant that "Big Louie, I've got to run, too. I ain't roadster for a turn.

Louie charged through Stella's door- done nothing crooked knowingly, but that fellow that you threw out has crossing crook," he roared. A bullet special that it was got me, too. And if he aims to be spat against the frame of the carry than Laberna. The bullet revenged upon you hall try it on me dangerously near to him and he carry none other than Lebrune. The bullet from the automatic which "The Gray Wolff whipped from his pocket as the door fell in passed between Vogel's arm and his body and buried itself in the wall. Before Lebrune could fire again the gammon was upon him in a which of berserker rage. He seized his employer by the throat, shook him until he felt his bedy growing limp within his grasp, then hurled it from him into the hall beyond. He did not care. At that moor not. He did not care. At that moment the thought uppermost in his dashed into the hotel, dropped a bill midd was that this woman whom he loved had been hart, for in a glance he had sized up the coverage from the coverage from the had sized up the coverage from he had sized up the overturned furniture, her clothes almost torn from her body and the livid marks upon her neck where "The Gray Wolf's" sinewy fingers had necessary But Gallace to the cold sweat as they fingers had necessary But Gallace to the cold sweat as they fingers had necessary But Gallace to the cold and special and mand. Judge Grature, her condition did not change, so far the stairs to the cellar. "Come on and stella opnosed leaving him to the mercy of Stella was in a cold sweat as they fingers had necessary But Gallace to the cold and special and mand. Judge Grature the house.

Stella was in a cold sweat as they fingers had necessary But Gallace to the cold and the living the form of the cold and the living the cold and the cold and the living the cold and the cold and the liv ture, her clothes almost torn from her body and the livid marks upon her neck where "The Gray Wolf's" sinewy fingers had pressed. But finding that Stella was not bad'y injured and that a crowd was gathering and pushing through the doorway he calmed himself, explaining that she had been at tacked by a d'runken stranger and that he had come upon the scene just in time to take a hand. The crowd melted away. Such things were every-day end away. Such things were every-day elements are beside her, threw in the car beside her, threw we'll be puttin' the road behind us."

Stella was in a cold sweat as they shot through the streets, turned accidents by hairs breadths. For she had told Vogel the truth. In the moment that he had begun to tell her that his only avenue of safety lay in fleeing from the wrath of Lebrune she realized that she, too, was in the same predicament. It was unthinkable that ed away. Such things were every-day predicament. It was unthinkable that occurrences in their lives.

"The Gray Wolf," if he set the law

occurrences in their lives.

Even as the consoled the girl, upon Vogel because of their clash in her room, would permit her to escape Vogel's mind was rapidly running her room, would permit her to escape the position in which he was his advances. Being the consequences of her rejection of over the position in which he was placed. There came to him the fear in that moment that at last he had perpetrated that dreaded "slip," that Lebrune would be thirsting for reverge for his rough handling and Vogel saw most clearly just how he brune could go about getting that revenge. It was the thing which Vogel himself might have done had reverged himself might have done had conditions been reversed. An anonymous telephone call to the police hinted that Judge Graham was to be found in the about the land of the real purposes of this radical organization with the place but the greatest help to the of some material which is a poor consumer work. imous telephone call to the police inited high Judge Graham was to be found in the abandoned shack and that "Big Louie" was his jailer. Vogel cauld see the hounds of the law baying on his trail immediately. He knew that but one course lay open to him to insure his safety, and that was injudyed fair with those of, his fellows who served him well and he balked at the thought of making off. in an effort to save his own skin and leaving the two men guarding the old judge to bear the, brunt of things when the police descended on the shack, as he had every reason to be lieve they would. No, he must warn them first. Then it would be dvery man for himself.

"Listen, honey, and don't ask me no ment they were aline." It is aligned to beat it out of here and disappear for beat it out of here and disappear for himself.

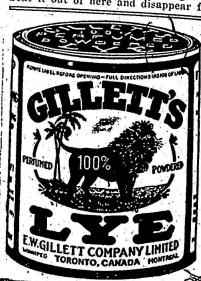

"Listen, honey, and don't ask me no ment they were aline." Ye got to beat it out of here and disappear for himself.

"Listen, honey, and don't ask me no ment they were aline." Ye got to beat it out of here and disappear for himself. The same distance in his year.

"Listen, honey, and don't ask me no ment they were aline." Ye got to beat it out of here and disappear for himself. The same distance in his year.

"Listen, honey, and don't ask me no ment they were aline." Ye got to beat it out of here and disappear for himself. The policy has a first part and the policy of the pol hinted that Judge Graham was to be poses of this radical organization with the place but the greatest help to the found in the abandoned shack and that which she had allied herself.

Big Louie was his jailer. Vogel She breathed more freely when they housewife in keeping them out of the ductor of heat. The following ma-

the throttle again. "D-d lucky it was them had the blowout and not us. He set himself grimly to getting out of the car every ounce of power which in possessed, and its wheels fairly spurned the road beneath them.

Vogel turned off along a narrow, rutty road and followed it for two rules before he left it, drove through fringe of dense woods and paused efore an abandoned looking, weather

ected a sound as yet unheard by the nen. Far down the road on the other side of the trees a motorcar was chugging along at low speed, evidently finding the going rough in the rutty road. Then they plainly heard suppose the cops don't come, Louic. It was coming the might die Let's turn lim loose. through the trees toward them. - . "They've trailed us. It's the cops," cried Stella.

But Vogel's hearing was more acute. Too, he had sighted a gray roadster body between the tree trunks. "No, it's not the cops. It's him,".
he corrected her. He never had learned Lebrune's name. But both the girl and his hirelings knew to whom he referred. "He means business. Stell, you go into the house and get under cover in the basement. Tom and Jerry, scatter behind some of these here trees. Don't take a hand in no argument unless he gits me. Then make him beat it and give the girl a chance." Immediately they carried out his instructions. Vogel himself, scorning

strapped to his belt.

Wolf demands that the Judge should let certain prisoners off with metely a fine. Threats of death for himself and torture for his son have no weight the just Judge Charlton becomes suspicious of "The Gray Wolf" and Council. Charlton visited Stella to Good-bye."

Gouncil. Charlton visited Stella to Good-bye."

The leaving the hotel saw, Lebrune break into her room and Wogel rush to her rescue.

Stella Takes a Hand.

Almost in the instant that "Big Louic" charged through Stella's door way, and laid violen hands upon her leaving the total fellow that you three out that fellow that you three wut has good metals and laid violen hands upon her leaved the saims to he crossing crook," he roared. A bullet the frame of the carry and mow and I must give my pals a chance pumpln' lead at yu."

"What's the idea?" yelled back Levimphin' lead at yu."

"What's the idea?" yelled back Levimphing acquisezence with yu. mister," replied the gun her lead is that I don't take no stock in yu, mister," replied the gun her lead is that I don't take no stock in yu, mister," replied the gun her lead is that I don't take no stock in yu, mister," replied the gun her lead is that I don't take no stock in yu, mister," replied the gun her lead at you."

efore an abandoned looking, weather eaten building which in days gone by ad been a home of some sort.

"If they follow us here they will ave to be some trackers," he remark-d as the car jolted to a stop and two like as not, and they'll turn him loose. vil-looking men emerged from the I hate to think of some of em copping hack to greet them.

"Listen!" Stella's keen ears had deceted a sound as yet unheard by the code it with me when it comes to dodgin' a bit behind the bars. Come

was coming He might die. Let's turn im loose, Louie, and give 'im a lift down to the road anyhow.'

"Nothin' doin'," replied the gunman positively. Then he lowered his voice and whispered: "Thet's Jedge Graham yu been readin' about in the papers. He ain't never seen me yit, and I don't want him to. It's the same as a life trick if that old devil ever recognizes me as one o', his kidnappers. I been takin' good care that he don't get one good look at me.

"Then he can't identify you as ever havin' a hand in it," she declared. "And, Louie, I ain't a-goin' to leave him here alone. Can't we take him with us?

"Fer the love of God, what for?" demanded Vogel. demanded Vogel. "We ain t got no time to fool with him, I tell you. Air

"Not without him," was the firm reply. And Stella promptly sat down upon the topmost step. "If he goes, and we can make it I can show you where we can hide for years and never be caught. If we want to we can rop him at some town we go through But if he stays, I stay. That's final.' "D—n you for a stubborn mule,"

the motionless form and was relieved to find that the Judge was still alive, even though he was unconscious. Between them they carried him up the

steps and out of the house and stowed him away in the back seat of the car. "Yu get in with him and keep his head on yer lap and keep him covered he ordered. ookin' for three of us. Perhaps the old geezer will help us in the getaway after all." Thus, with the old man's head pil-
