rds from Yorkshire and Lancashire lying from Devonshire or somewhere in Scotland. In June the Continental races legin. Various federations send their birds to Marennes, Bordeau Jersey, Arras, Troyes, or even St. Sebastian. These long distance flights are attended with risk, and many losses are sustained by fanciers. As many ns 100,000 birds have been lost in a particularly stormy season.

If fine weather prevails some good imes are made. Birds liberated in France at 6 a.m. will be in England being within this classification. head, winds have to be faced, and storms flown through.

A Game Bird.

from Arras last year proved what course, have come about through a birds will face. Two thousand pigeons were liberated at six o'clock on a July morning for a 300-mile race. In mid-Channel they encountered a storm, in the South of England another storm awaited them, and in the Midlands still worse weather was

Yet at 3.30 the first birds were arriving home. The winner averaged 900 yards a minute. All the birds were exhausted, and their breasts were bare of feathers as a result of the headwinds they had faced. One of the birds reached its home at Pudsey, but after settling in the yard was too exhausted to fly into its loft.

A Little Wisdom.

The truth most required is the truth A little commendation goes a long,

The greatest wretchedness is to be guilty without repentance. An honest man does not lose his

character because a dog barks at him. When you obey your superior you instruct your inferior in obedience. Those who gather nothing when young will have no more when they

The greatest wisdom is to have unsaid the wrong thing at the tempting

He who knows himself best esteems himself least, for all are the better for knowing the worst of themselves.

Perfectly Simple.

"Do you ever catch any whales, captain?" asker the fair passenger on the ocean liner. "Often, ma'am," answered the digni-

fled captain. How very wonderful! Please tell me how you catch them." "We drop a few of the old salts on

their tails, ma'am." Eighty per cent. of the total enlistments of nearly 600,000 from Canada in the war were voluntary.

It is in every man to be first-class in something, if he will. Only himself can hold him back. There is no excuse for incompetence in this age of opportunity and efficiency; no excuse for being second-class when it is possible to be first-class, and when first-class is in demand everywhere

Remarkable Christian Names
